School Updates & Grade Highlights:

- **SSD teachers (Carrie Koehn, Sarah Lehrmann):** The teachers presented on some SSD events that were held this year. For the first time, a bowling event was held earlier this year (10 kids attended). Special Olympics for any child with IEP was held two weeks ago at the Moss Field track; pictures were shared. ERS sent 14 children to the event; all kids in the school cheered the athletes on as they walked out to the bus at the start of the day. It was suggested that the event be publicized ahead of time (e.g. via Paw Print) so that ERS parents could help support the ERS athletes. ERS is hoping to start a **Best Buddies** program next year. This is an international organization dedicated to creating opportunities to individuals with disabilities. Dr. Wuch has given administrative approval. Anyone interested in helping to bring the program to ERS should contact the office. The PTO will coordinate with Carrie and Sarah to learn more about how parents can help and will post info on the PTO FB page. ERS would be the first elementary school in Webster Groves to have this program. (Hixon is starting a chapter in the fall.)
- **Dr. Wuch:** A number of important dates were announced:
 - Fourth grade teacher was hired (Annie Bouvettte, ERS alumna). She is an ERS alumna and has 7 years teaching (4 years in Denver, the rest in St. Louis Public Schools).
 - May 16 – Volunteer breakfast, 7:30am; it is not too late to RSVP!
 - There is a service dog, Sadie, in school, and the kids are doing an amazing job respecting her role as a service dog.

- **2019-2020 Budget:** Floor was opened to discussion
 - Throughout the year there is a lot of variation for class parties and volunteers. A question was asked about using PTO funds for a classroom fund. Jessica said that this year, room parents were told to not send in money but instead to send in items for parties instead. Kathryn pointed out that the budget already includes a line item for “Staff Appreciation and Teacher Meals”; this is to be used for designated days (e.g. Admin Professionals Day) and meals during conferences/staff appreciation week. A line item would be created for classroom parties, and the Staff Appreciation line would need to be increased. There are 24 classrooms, each has 3 parties per year; at \$30/party, which translates to \$2,160. Several parents voiced the concern that having these funds would take some of the classroom community that is formed when parents come together to plan things. It was suggested that rather than designating funds for each class that there would be a fund that classrooms could request money from if the class is running short on dollars. It was recommended to let the new Board discuss the idea for a line item this summer and bring a suggestion forward in September. Jessica requested that any updates/changes be brought to her attention as she works on the Room Parent Handbook over the summer.

New Business:

 - **Treasurer** – Kathryn Drennen
 - **Secretary** – Meghann Parson

New Business:

- Discussion on using online payments whenever possible next year (via BidPal), although that comes with a fee (e.g. \$25K raised by Trivia, with \$2K in fees for BidPal, Amex, etc.). Venmo was suggested, with discussion about feasibility (e.g. whether or not it is allowed by the school/district, merchant fees, etc.). The Board will look in to options this summer and then report back in September.
