

Exciting News for Salina's Project SEARCH

We are happy to announce that Salina's Project SEARCH internship program at Salina Regional Health Center (SRHC) was honored with the Excellent Employment Outcome Award at the Project SEARCH conference in Albuquerque, NM!

The team achieved an impressive 80% employment rate for their 2022-23 class of interns. This success is due, in part, to the power of collaboration between Salina Regional Health Center, Central Kansas Cooperative in Education, USD 305 Salina Public Schools, and many other valued partners.

Through rotational internships and on-the-job training, this program empowers individuals with disabilities, providing them with authentic workplace experiences.

We appreciate the dedication and hard work from everyone involved in this program! Join us in celebrating this achievement and supporting the ongoing success of Project SEARCH in Salina!

Join the Conversation!

On Wednesday, November 13 from 9-10:00 a.m., community members are invited to an interactive session with Superintendent Linn Exline.

Conversation will include information about the USD 305 school budget. There will be time for questions and ideas from participants.

Join your neighbors for connecting, learning and sharing with Superintendent Exline.

Wednesday, November 13, 9:00-10:00 a.m. | District Office, 1511 Gypsum Ave.

SALINA CENTRAL HIGH SCHOOL THEATRE DEPARTMENT
presents

The *William Shakespeare's*
TAMING of the Shrew

Tickets: Adults \$7
Students \$5

November - Friday 15 - 7:00pm
Saturday 16 - 7:00pm
Sunday 17 - 2:30pm

"This show is a lot of fun to watch and be involved in performing," said Lillian Crow (Biondello). "It is a very physical show. Shakespeare can be hard to understand unless you incorporate tone and physicality. The *Taming of the Shrew* is a staple slapstick comedy, and I love performing and having fun on stage with my fellow castmates in this production."

Show dates and times are November 15 and 16, 7:00 p.m. and November 17 at 2:30 p.m.

Tickets are \$7 adults and \$5 students and are available for purchase one hour before each performance at the CHS auditorium box office (enter through the south entrance to the school) or [online here](#).

Reminder! Thanksgiving Recess is Nov. 25-29

Spotlight Award

Great Plains Manufacturing (GPM) and Slade Spratlen, manufacturing recruiter, were recognized with a Spotlight Award. Great Plains Manufacturing has donated tens of thousands of dollars of materials for the SPS Metals and Welding program.

They have hosted tours of their facilities and operations and provided on-the-job training through their work-based learning program for SPS students. Ten former SPS students who participated in that program are now employed at GPM.

We appreciate the partnership with GPM that helps ensure our students are future-ready.

If your business or organization is interested in hosting tours, offering on-the-job training, internships or donating materials for Career and Technical Education (CTE), contact Melanie Hammond, CTE coordinator, at 785-309-4733.
