Updates for the 2024-2025 School Year!

Several key updates for the 2024-2025 school year were announced earlier this week.

- **School Day Attendance:** Students will now attend school for an additional 15 minutes each day.
- **More Mini Breaks:** We've added more mini breaks throughout the year. (See the link to the 2024-2025 calendar below.)
- **Extended Thanksgiving Break:** Thanksgiving break has been extended to a full week.

These adjustments were carefully planned in coordination with bus schedules and student arrival times at schools. And, these changes better align our SPS schedule with neighboring districts.
