December – Empathy

“Have you ever heard the expression “walking in someone else’s shoes?” What do you think it means?

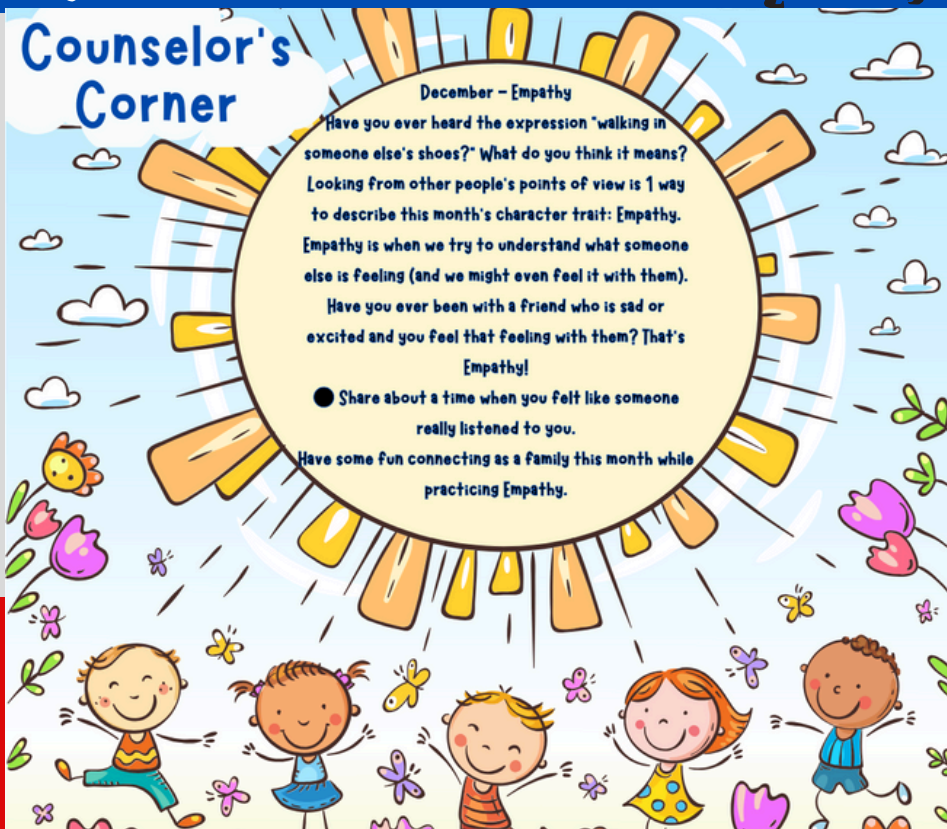

Looking from other people’s points of view is 1 way to describe this month’s character trait: Empathy.

Empathy is when we try to understand what someone else is feeling (and we might even feel it with them).

Have you ever been with a friend who is sad or excited and you feel that feeling with them? That’s Empathy!

● Share about a time when you felt like someone really listened to you.

Have some fun connecting as a family this month while practicing Empathy.
