Dear Parents/Guardians,

We are excited to provide your child's MAST score reports through the secure Kite® Parent Portal. This platform allows you to access score reports for all grades 3-8 MAST assessments.

The Montana Aligned to Standards Through-Year (MAST) assessment, developed by the Montana Office of Public Instruction, measures student progress in Math and English Language Arts (ELA). Reports currently include data from the first of three testing windows.

### How to Access the Parent Portal

1. **Watch the Introductory Video:** <https://vimeo.com/905694120>
2. **Log In:** Visit <https://parentportal-testlet.kiteaai.org> and use this email account.
3. **Access Code:** You will receive an access code via email, valid for 24 hours. Check your junk mail if you don't receive it.
