Online Application Short Essay Response Guide

If you need help with your PSSC application program response, you're in the right place.

1. Ask your counselor, advisory teacher, guardian or parent for help.
2. Don't stress too much about the grammar, spelling, etc, but do your best. We want to hear your ideas and career goals.
3. Use the sentence stems below to get you started.

Please tell us why you chose this program and how it will benefit you in your future career. Provide examples of experiences that have led you to your career interests.

The PSSC program I am most interested in is _____. I think it would be interesting and exciting to _____ because _____. A career in _____ would give me a chance to _____, and maybe in the next 5 or 10 years I might _____.

I first developed an interest in the career path of _____ when I _____. At that moment I realized _____ and decided I wanted to _____. I remember thinking about _____ and dreaming that I might be able to _____.
