Title I Newsletter December 2024

A Proud "Title 1" School

Dear Families,

Wow, it is unbelievable that [2024] will soon come to a close. As parents and guardians you play a tremendous role in developing and influencing you child's learning.

During the "season of giving" one gift that children find most important is your time.

During the Holiday break, we ask that you keep your child's mind active. Reading is the single most important skill they will use during their lifetime. Also, practice writing with your child; reading and writing are important fundamentals for life.

At John Muir, we believe it is our mission to to increase student achievement and social-emotional health through student-centered instruction, positive family-school partnerships, and providing a safe learning environment.

Happy Holidays!
We wish you all the best health and happiness in the New Year! Have a safe and restful holiday season!
