

A decorative header featuring several blue snowflakes of varying sizes scattered across the top of the page. The largest snowflake is on the right side, and there are smaller ones to its left and above it. On the far left, there is another large snowflake.

SNOW ROUTES 2024/2025

PARENTS: THERE HAVE BEEN CHANGES MADE TO SNOW ROUTES FOR THE 24/25 SCHOOL YEAR. PLEASE LOOK TO SEE IF YOUR STUDENTS BUS ROUTE IS IMPACTED.

In previous years your students stop may not have been a part of a snow route but we have had to make changes to serve all our neighborhoods . Be aware that the pick-up time & location may have changed.

If your student is in Special Programs and you live on one of the streets listed, please communicate with your driver for a safe pick-up/drop-off location.

If you have questions regarding snow routes, please contact Transportation at 509-967-6150.

Not all bus routes have a Snow Route. Only routes that travel in areas with steep hills need a snow route.

If you do not see a "SNOW ROUTE INFO" page for your students bus route you can expect your bus to serve your stop.

Below is a list of neighborhoods and streets impacted by inclement weather
