

Introduction to

FUTSAL

What is Futsal?

Futsal is a fast-paced, small-sided version of soccer, played indoors on a hard court. With its quick tempo and emphasis on skill development, futsal helps players improve their ball control, passing and decision-making.

Small Teams, Big Fun: Played with teams of 5 players, including a goalkeeper.

Speed & Skill: Perfect for developing footwork and fast reactions.

Ideal for All Levels: Whether a beginner or experienced player, futsal is a great way to get into soccer or take skills to the next level.
