# November National pepper Month

Peppers are fruits, not vegetables, because they contain seeds. They are related to tomatoes, chili peppers, and breadfruit, and are native to Central and South America. Peppers come in many colors, including red, orange, green, and yellow

## Annual Voting Event at The Elementary School

**Kelly Klein**  
Foodservice Worker  
HS – 08/28/24  
3 months

### Help Us Celebrate!

Hello! My name is **Kelly Klein** and I am the Nacho lady at the HS. Since I have started I have updated the grab n go meals and Sono Bar,

**What is your favorite place you have ever visited?**

Disney Land Family connection with nephews

**What is your favorite local place to eat?** Panda Express - Honey Sesame Chicken.
