

T. Rex In The Neighborhood

There's a T. Rex
in the neighborhood.
There's a T. Rex
doin' what he should,
for a T. Rex.
Eating is his thing.
Yeah, the T. Rex.
That's why he's the king.

Why is he here? This isn't good.
What's he doin' in our time
and in our neighborhood?
Don't stick around.
That would be bad.
If you try to fight with him,
you'll only make him mad.

There's a T. Rex
in the neighborhood.
There's a T. Rex
doin' what he should,
for a T. Rex.
Eating is his thing.
Yeah, the T. Rex.
That's why he's the king.

How is he here? This isn't right.
He should be extinct by now
instead of trying to bite.
Don't try to think.
Just get away.
Run as fast as you can run,
or you might be his prey.

There's a T. Rex
in the neighborhood.
There's a T. Rex
doin' what he should,
for a T. Rex.
Eating is his thing.
Yeah, the T. Rex.
That's why he's the king.

There's a T. Rex
in the neighborhood.
There's a T. Rex
doin' what he should,
for a T. Rex.
