MESSAGE FROM SUPERINTENDENT

Big Red Community,

As the summer comes to a close, I wanted to take a moment to share some updates from Belton ISD to our Big Red Community. The summer is a time of preparation and learning for the upcoming school year and I'm proud to share a sample of our efforts below.

Academic Excellence: Our dedicated staff has been working tirelessly this summer to ensure that students receive an exceptional experience in Belton ISD. District leaders dove into learning opportunities at the Holdsworth Center with educators from around the state, members of our Board of Trustees participated in board member training, and our amazing educators have been immersed in high-quality professional development. Our dedication to continuous learning throughout the summer is all in an effort to ensure we grow and improve as a district.

Safety and Well-being: BISD's 4th Annual Safety Summit was hosted this week with representation from local law enforcement agencies. Administrators, counselors and nurses from each school worked with law enforcement and other experts to ensure thoughtful safety practices are in place and effectively implemented. Members of our Board of Trustees and State Representatives Buckley and Shine were also present for portions of the BISD Safety Summit. As always, we appreciate their continued support.

Instructional Facilities: Our custodial staff, maintenance team, and grounds crew have been hard at work this summer. Projects, cleaning, remodeling, and grounds work kept our teams busy and were all done in an effort to ensure an outstanding learning environment for our students.

We are excited to welcome our students to the 2023-24 school year and look forward to another year of success and growth. Please know that we are equally excited to see you, our Big Red Community families, back in our schools as well. Together we can do amazing things for each and every student we serve.

Please enjoy the remainder of your summer and get ready for an exceptional year in Belton ISD!

Sincerely,

Matt Smith, Ed.D.
Superintendent

New Administrators Announced at Board Meeting

[Six leaders welcomed to the Big Red Community.](#)

"As we welcome our new administrators to the Big Red Community, their experience, passion, and commitment to education will be invaluable assets in our continuous endeavor to elevate our district's educational standards.

Our mission is not just to educate students, but also to inspire them to become lifelong learners, and we believe that our new administrators will contribute significantly to this mission. We look forward to working closely with the new members of our leadership team to create an environment where every child has the opportunity to succeed." - President Manuel Alcozer, Board of Trustees
