MESSAGE FROM SUPERINTENDENT

Big Red Community,

We're in the home stretch of another great school year, but that doesn't mean we're letting our foot off the gas. There are lots of opportunities coming up for you as parents and guardians to get

involved. I hope you'll take advantage of a few, such as:

- [Parents As Partners Conference](#) – This is our first time offering this type of event, and I'm proud of the variety of speakers planned for the day. I hope you'll RSVP and join us for an informative day.
- [The Penguin Project Production of "Annie Jr."](#) – Another first for Belton ISD. This musical pairs students with special needs with peer mentors. Because our community values each and every student so much, it's exciting to see this production become a reality.
- [Month of the Military Child](#) – Many campuses have been celebrating our military students throughout the month. On April 28, we're asking everyone in the Big Red Community to wear purple to show our support of these amazing kids (and their families!).

Thank you for partnering with us in your student's educational journey. We're looking forward to finishing the year strong, together.

Best,

Matt Smith, Ed.D.
Superintendent
