## GET INVOLVED

### Support the Fine Arts with Your Presence

Our Fine Arts students and directors are hard at work learning new skills. Now's the time to get their upcoming holiday performances and exhibits on your calendar. Attending is a great way to show support and contribute to the exceptional experiences we strive to create for students. You can find the latest events on the district's [Fine Arts calendar](#).

### Thinking About Becoming a Volunteer?

Our schools need you – yes, you! Take the next step by contacting your student's campus to learn about their opportunities for you to get involved. We can match your skills and availability to specific needs, whether you're on site multiple times a week or helping with projects from home. Thank you for partnering with us!

### What You Should Know About Apple's AirDrop Feature

There's a new trend across the US where individuals are making false threats to schools using the AirDrop feature on Apple mobile devices. While Belton ISD has responded to isolated incidents of these threats, we are asking parents to ensure that your students' mobile devices are reviewed and either has the AirDrop feature turned off or set to receive AirDrop messages only from their contact list. [Learn more.](#)

### Make Life Easier: Submit Absence Notes Online

Did you know you can [submit absence notes online](#)? An absence note is required each time a student is absent from school. The note and any required documentation must be submitted within three school days of the student's return to school. Learn more about attendance requirements at [www.bisd.net/attendance](http://www.bisd.net/attendance).
