Superintendent's
REPORT

During the Belton High School Marine Corps Jr. ROTC student showcase, the student speaker was mistaken for an instructor due to her exceptional leadership and communication skills, highlighting the empowering impact of these programs.

Our community plays a crucial role in supporting students by providing their time, resources, and engagement. From PTA/PTO listening circles to events like State Representative Dr. Buckley's football coin toss, community involvement enhances our students' experiences.

The Belton Educational Foundation recently received a generous donation, and events like Grandparents Day further demonstrate our commitment to involving families in their students' education, ensuring every learner is empowered to succeed.
