Erin Bass sworn in for Area 2 and Chris Flor for Area 4

At the special meeting held on May 13, the Board of Trustees reviewed the outcomes of the May 4 election. During their subsequent regular meeting, Erin Bass took the oath of office for Area 2 after running unopposed. Chris Flor was also sworn in for Area 4, securing victory with 188 votes, surpassing Leslie Ann Griggs Davis, who received 69 votes.

BOARD OF TRUSTEES IN ACTION

Superintendent's REPORT

Belton ISD is deeply grounded in a shared vision, aiming to empower every learner to pursue their dreams and enrich their communities.

An example of that includes our Superintendent Student Advisory Council contributing valuable insights on our attendance policies and offering perspectives to enhance district procedures.

Belton Early Childhood School (BECS) showcased their academic skills acquired in Pre-K through hands-on activities, such as serving refreshments to their teachers.

An illustration of our community partnerships was seen in a recent BECS field trip to the Belton Fire Department, where students witnessed their heroes in action, igniting dreams of future firefighters.

To facilitate such enriching experiences, we desire world-class employees who can cultivate these opportunities for our students. These dedicated professionals are crafting experiences for students, mirroring the recent visit of high school techsperts to Google, where they had the chance to engage with and learn from the Google team firsthand.

Belton High School hosted Spring Fling, an inclusive event designed for students who may not have access to traditional events like prom. Students took charge of providing the music and food, ensuring an enjoyable experience for all attendees, including those with special needs who required additional support.

Together, we continue to nurture a culture of learning, growth, and inclusivity within Belton ISD.
