## SCHOOL POLICIES

The policies in his handbook were developed by the Administration, School Improvement Council, Faculty ,and Students of Aynor High School in accordance with policies of the Horry County School Board to serve as a guide for each student in developing the practice of self discipline, good citizenship, and educational progress.

**Every rule is not enumerated in this student handbook. It would not be feasible to list every possible infraction or incident that might occur requiring administrative intervention. Any behaviors considered inappropriate or disruptive to the educational environment that may not be specifically dealt with in this handbook will be handled in a manner the administration feels is most appropriate for all concerned.** Students will be given classroom rules by their teachers at the beginning of the school year, along with class objectives and activities. This handbook contains general guidelines and procedures that apply to all students. Parents and students should also read the Parent Student Handbook for Horry County Schools regulations that apply to all Aynor High School students and may or may not be contained in this handbook.

## ACADEMICS

### ACADEMIC INTEGRITY POLICY:

Aynor High School expects all students to abide by ethical academic standards. Academic dishonesty—including plagiarism, cheating or copying the work of another, using technology for illicit purposes, or any unauthorized communication between students for the purpose of gaining advantage during an informal or formal assessment—is strictly prohibited. The Aynor High School Academic Integrity Policy covers all school-related tests, quizzes, reports, class assignments, and projects, both in and out of class. The purpose of this policy is to prepare students for the reality created by the technology explosion, for the world of college and beyond, where cheating and plagiarism have dire consequences. Plagiarism is not the same as cooperation or collaboration. Teachers often expect and ever encourage, students to work on assignments collectively. This is okay, as long as whose work being presented is clearly relayed.

- **Collaboration** is to work together (with permission) in a joint intellectual effort.
- **Plagiarism** is to commit literary theft; to steal and pass off as one's own ideas or words, and to create the production of another. When you use someone else's words, you must put quotation marks around them and give the writer or speaker credit by citing the source. Even if you revise or paraphrase the words of someone else, if you use someone else's ideas you must give the author credit. Some Internet users believe that anything available on-line is public domain. Such is not the case. Ideas belong to those who create and articulate them. To use someone else's words or ideas without giving credit to the originator is plagiarism.
- **Cheating** includes, but is not limited to, copying or giving an assignment to a student to be copied (unless explicitly permitted by the teacher). This includes sharing work that should be individually produced and includes obtaining answers from another student with or without their permission. Cheating also includes using, supplying, or communicating in any way with unauthorized materials, including textbooks, notes, calculators, computers or other unauthorized technology such as cell phone, IPod, camera, recorder, etc. during an exam, test, quiz, project, or other assignment; and includes failing to follow teacher guidelines regarding collaboration, parent help, etc. Students will be expected to complete work independently unless specifically directed otherwise by the teacher.
- **Forgery or stealing** includes, but is not limited to, gaining unauthorized access to exams or answers to an exam, altering computer or grade-book records, or forging signatures for the purpose of academic advantage.

The determination that a student has engaged in academic dishonesty shall be based on specific evidence provided by the classroom teacher or other supervising staff member, taking into consideration written

materials, observation, or information from others. Students found to have engaged in academic dishonesty shall be subject to disciplinary as well as academic penalties, as outlined in the student handbook.

**BLOCK SCHEDULING:** Aynor High School operates under the Semester Block (4X4) system of class scheduling. Under this system, high school students take four subjects each semester and classes will meet every day for 90 minutes. We view time as the variable in learning for students and have provided some extended opportunities for mastery of language arts and math courses. As a general rule, credit is awarded at the end of each semester for the classes which are successfully completed. We incorporate the use of “mini-blocks” which are year-long, 45-minute classes available only during 3rd block.

We are constantly looking at ways to adapt our class schedules to meet the needs of our students and teachers. Please feel free at any time to ask questions or voice concerns.

#### **PROMOTION STANDARDS**

**Grade 9 to Grade 10:** Six Carnegie units of which one must be English and one must be math.

**Grade 10 to Grade 11:** Twelve Carnegie units of which two must be math, two must be English, and one must be science.

**Grade 11 to Grade 12:** Eighteen Carnegie units of which three must be math, three must be English, two must be science, and two must be social studies.

***All students must also meet attendance requirements in order to receive credit for courses.***

**EXAMINATIONS:** Examinations are given in each high school class to assess mastery of material. Examinations may be designed as presentations, portfolios, written exams, oral exams, etc. but must be cumulative in assessment. Final exams will be given the last two days of each semester and will count 20% of the final grade. According to district policy, examinations are given for all courses for which high school credit is received and there are no exemptions from exams.

**END-OF-COURSE TESTING:** The state of South Carolina has implemented end-of-course tests for the following subjects: Algebra I, US History, English II, and Biology. All students enrolled in these classes are required to take these exams which will count 20% of the final grade for the course.

**JUNIOR MARSHALS:** Junior Marshals are selected after the third quarter of the 11th grade year. Selection will be based on the state uniform ranking system with the top 10% (rounded to the next highest even number) serving as Junior Marshals.

**EXPANDED CURRICULUM OFFERINGS:** In addition to the regular educational program of the high school, our school offers college level courses for dual credit in partnership with Horry-Georgetown Technical College, Coastal Carolina University, the University of South Carolina, and Francis Marion University. These courses allow a student to take electives in high school that will count towards post-secondary endeavors. Enrollment in these courses requires the student to apply to the individual college and pay all related tuition and book fees.

**SCHEDULING OF CLASSES:** Class schedules are completed during the summer and are considered final on the first day of classes. No class changes will be allowed unless: 1) a student does not meet the prerequisites for a course, 2) a student has already completed the course successfully or 3) a senior requires a course for graduation. Course changes are not allowed in an attempt to select specific teachers. Any course changes must have the approval of the principal.

All students in grades 9 -12 are required to take at least four courses each semester. Being a small school, the variety of classes we are able to offer is limited. Twelfth grade students may be involved in School-to-Work activities such as internships but are still required to take at least 4 classes for credit each semester.

**CHANGING CLASSES AND WITHDRAWING FROM COURSES:** There are limitations imposed on class changes by the S. C. Uniform Grading Policy. If students change or withdraw from a class after 5 days in a semester class or 10 days in a year-long class, no credit will be given for the course and a WF will be entered in the student's transcript and a 61 will be used when calculating rank and GPA.

**WITHDRAWAL FROM SCHOOL:** If, for any reason, you will be withdrawing from Aynor High School, please see your guidance counselor to obtain the proper forms and be informed of the proper procedures.

**STATEWIDE TESTING PROGRAM:** State law requires students at different grade levels to participate in a state-wide testing program.

**GRADUATION:** In order to participate in the graduation exercises at Aynor High School, a student must have completed all requirements for a S.C. High School Diploma, an Individualized/Occupational Diploma or a Certificate. A student must also clear any indebtedness to the school prior to the ceremony. Candidates at Aynor High School are seated in alphabetical order. Students will be recognized by cords based on the Latin Honor System. Admittance to the graduation ceremony is by ticket only. The principal may deny a student the privilege of participating in the graduation ceremony due to a serious violation of the student behavior code and the fact that the methods of discipline are limited due to the proximity of the violation to the ceremony.

## ACCIDENTS/ILLNESSES

Report all accidents that occur during class to the teacher, no matter how small the accident. Accidents that occur between classes, before school, and after school must be reported to the main office. This procedure must be followed in order to file insurance claims.

In caring for students during the day, it may become necessary for us to contact someone. **It is imperative that the school have on file an emergency contact and phone number to be used in cases where we are unable to reach the parent(s).**

Any student who leaves the school because of sickness without signing out and obtaining permission from the attendance clerk will be considered cutting and disciplined accordingly.

**HEALTH ROOM:** A full-time school nurse is available for minor health problems. A student must obtain a pass from the teacher whose class he/she is assigned to be in before going to the school nurse. Students who are sick will be allowed to wait in the health room only after parents have been contacted. If students are not leaving school due to sickness, they will be required to return to class.

**MEDICATIONS:** School employees are not allowed to administer medications to students without parental permission and strict standards based on the American Academy of Pediatrics school nursing policies. This includes all prescriptions and over-the-counter medications. Students who need to have medications at school must follow the procedures listed below:

1. A parental permission form must be completed with details on how the medication should be administered at school.
2. All medication must be brought to school by a parent or guardian in the original container appropriately labeled by a pharmacy if prescribed.
3. All medication must be kept in the nurse's office.
4. No medications containing aspirin or salicylate (Pepto-Bismol) will be administered by the school nurse.
5. Students who have medical problems should make the school nurse aware of the condition so that we may prepare accordingly.

**All medications (prescribed and OTC) must be turned in to the school nurse. Students are not permitted to carry any type of medication on their belonging. Failure to follow these procedures may result in disciplinary action including suspension from school.**

## ATTENDANCE

Consistent school attendance is critical for student achievement. If students are not present, they cannot benefit from classroom instruction. State attendance laws require student attendance for course credit and grade-level promotion. To be promoted to the next grade or receive credit for high school courses, students may not be

absent from school or class for more than ten (10) days for year-long courses, five (5) days for semester courses or three (3) days for half-unit courses, unless the absences are excused by a medical doctor's written statement or principal's approval. Students are considered truant after three (3) consecutive or five (5) cumulative days of absences, tardies or early sign-outs not excused by a medical doctor's written statement, proof of bereavement or principal's approval. An Attendance Intervention Plan (AIP) will be developed by the school for truant students. The plan will help to establish goals for regular school attendance and will be monitored to ensure compliance. Failure to comply with the plan may result in legal proceedings through Family Court.

If a student is absent from school, they are expected to make arrangements with the teacher to make up all missed work. Work not made up will result in a zero for the student's grade. Parents who anticipate a student's absence of more than five consecutive days due to an extended health problem should apply immediately for homebound instruction. The student on homebound instruction will not be counted absent.

**\*\*Parents are reminded that absences incurred by students for family vacations will count as unexcused absences per state regulations and district policy.\*\***

Any student absent from school on the day of a school-sponsored extra-curricular activity/event must have principal approval in order to participate in the event.

**All medical excuses for absences are required to be submitted to the attendance clerk within 1 week after the absence. If medical excuses are not submitted in a timely manner, students will receive a FA and no credit for the course (FA = Failure due to attendance).**

- An unexcused absence (UNX) is an absence that is not covered medically, judicially, or by bereavement.
- An unverified absence (UNV) is an absence that has not been verified by the parent or the school.
- Judicial absences (JUD) are covered for the time that the student is in court.
- Attendance codes you may see on your attendance record include: SC-UNEX—unexcused absence; SC-MED—Medical (excused); SC-PN—Parent note (unexcused); ; SC-UTRD—unexcused tardy; SC-ISS -In School Suspension; SC-OSS- Out of School Suspension; SC-REC—attendance recovery; SC-PA-Principal Approved; SC-FT –Field trip; SC-DSML—Dismissal (unexcused); SC-EDSM—Early dismissal (excused), SC-JUD—Court (excused)

- **Family trips/vacations will NOT be excused.**

**ABSENCES, MAKE-UP WORK, AND STUDENT GRADING**

Students are expected to be in school on a regular basis to achieve specific curriculum objectives and develop concepts adopted by the District. Students who are absent from school will be required to make up all work missed. Instructional personnel will provide information on assignments, provide help, and permit the completion of work missed due to absences. **However, the main responsibility for make-up work lies with the student. If a student knows he/she will be absent from class, they should make every effort to get assignments prior to the absence. \*\*Parents are reminded that absences incurred by students for family vacation will count as unexcused absences per state regulations and district policy.\*\***

When absences occur, **immediate** attention is to be given by the teacher, student, and parent to work missed by the student. Special efforts must be made by each of these to see that missed work has been made up. The teacher will specify a reasonable period of time to make up the missed work based on the length of absence and school time missed. A zero will be assigned as a “place holder” grade for the missed work in the teacher grade book. Teachers will add a note to the zero indicating the student’s absence. It is imperative students make up the missed work in the allotted time given by the teacher. If the work is not completed satisfactorily within the specified time, the grade of zero will remain. **Work assigned prior to the absence is due when the student returns to school or on the scheduled due date.** (see pages 12-14 under ATTENDANCE)

**ATTENDANCE MAKE-UP OPPORTUNITIES:** AHS will offer two Saturday schools each semester for students whose absences exceed the number allowed by the State of SC. Saturday school is from 8am-2pm and attendees are required to bring work to do. Students who are late or who do not follow the rules while making up attendance will be expelled from Saturday school session(s). In addition to Saturday school, before/after school tutoring time with teachers may also be applied towards attendance recovery.

**Tentative dates and times for Saturday school attendance makeup:**

- ◆ **1st semester: Dec. 14, 2024 (8am-2pm)**
- ◆ **2nd semester : May 10, 2025 (8am-2pm)**

**ABSENTEE PROCEDURES**

1. On the day of an absence, the parent should call and notify the attendance clerk.
2. On the day of return, students should present a written excuse to the attendance clerk.

**Parental excuses should include the following:**

- |                           |                             |
|---------------------------|-----------------------------|
| a. Student’s name         | d. Date(s) of absence       |
| b. Parent’s signature     | e. Date the note is written |
| c. Reason for the absence | f. Parent’s daytime phone # |

3. A student who misses an assigned test is expected to take the test the day he/she returns.

**EARLY DISMISSAL:** No student may leave school grounds unless he/she has been properly signed out in the attendance office by a parent or legal guardian, by the principal, assistant principal, or someone officially designated by the principal. Failure to follow this procedure will result in disciplinary action. *A parent who has transferred legal guardianship of a student to another party may not sign out the student.* **\*\*NOTE: All students must sign out with the Attendance Clerk any time they leave school premises.**

\*\*\*18 years olds (or older) Sign Out Procedures: Any student regardless of age must follow school sign out procedures. 18 year olds (or older) do not get to sign themselves out of school. **No exceptions.**

Below are procedures that must be followed for a student to leave school early:

- A. Students will be allowed to sign out under the following conditions:
  1. Parents should take note that students can be dismissed for non-emergencies during the change of classes.
  2. Alternatively, if a note is received in the Attendance Office before Second block begins on the day the student is to leave early, we will make arrangements to dismiss the student at the appropriate time. A note signed by a parent or guardian must contain the following: a) student's name, b) grade level, c) time of dismissal, d) reason, and e) phone number where a parent can be reached so that a school official can confirm that the student has parental permission to leave school early. All requests must be verified. If a parent/guardian cannot be contacted, the student will not be given permission to sign out early. If students and parents will use this procedure, we can avoid unnecessary class interruptions and parents having to wait on a student.
  3. Because of our efforts to cut down on class disruptions, and for the safety of the student, we cannot dismiss students from school as a result of a telephone call. Parents must either send a note or come to the office to sign out their son/daughter.
  4. Once a student leaves school early with permission, he/she must sign back in with the attendance clerk upon returning. Students may not leave to run errands or conduct other personal business.
  5. Only the legal parent/guardian of a child may be able to sign them out of school unless prior approval is given by the principal.

\*\*\*18 years olds (or older) Sign Out Procedures: Any student regardless of age must follow school sign out procedures. 18 year olds (or older) do not get to sign themselves out of school. **No exceptions.**

**SUSPENSIONS:** Students who are assigned to the In-School Suspension (ISS) program are considered present in school. OSS will not be assigned to a student in lieu of ISS. Students who are assigned OSS may be required to return to school with a parent/guardian for a conference with administration. Students assigned OSS are not permitted to be on school or District property during the duration of their suspension (including but not limited to athletic events or practices, school buses, club or organization events, etc) per District policy unless prior approval is given by school administration. Students will be subject to further disciplinary action including police involvement if they fail to comply with this policy.

**TARDY POLICY** (Class tardies & school tardies): We believe that with our current bell schedule, the responsible student will have no problem getting to class on time. Tardiness will not be tolerated. When the tardy bell rings, students should be inside the classroom. Teachers will lock and close their doors and any student who arrives after the tardy bell (or designated time to be in class) will be marked tardy by the teacher in Power School. All tardies will be recorded and monitored by the Attendance Clerk and school administration. **(see page 24 for the tardy policy and consequences)**

## **BEHAVIOR EXPECTATIONS**

**BEHAVIOR:** Students are expected to conduct themselves as young ladies and gentlemen at all times. Any behavior contrary to this will necessitate intervention according to school and board policy and this action is maintained in the student's discipline record. Excessive misbehavior will be called to the parent's attention and a conference will be scheduled with the student, parent, and an administrator. Students elected to positions of leadership, as well as those earning other honors, are expected to set an example for the entire student body. **Students may be removed from positions of leadership or from activities or teams at the discretion of the administration for behavior problems.**

**CLOSED CAMPUS:** The school operates a "closed campus" system. Students are expected to remain on campus for the entire school day once they arrive at school. Students do not leave campus without permission from an administrator and parent(s). Violation of this regulation is considered "leaving school" and/or "cutting school" and is subject to disciplinary action. **Once students arrive on campus, they may not leave the premises without following proper dismissal procedures.**

**NOTE: Students who arrive late to school must always sign in with the Attendance Clerk; students who leave early must always sign out with the Attendance Clerk.**  
**Early release and late arrival procedures: Students can not stay on campus or come to campus early. Students will lose these late arrival/early dismissal privileges if they abuse the situation.**  
**Students may not hang out on campus and may seek permission through principal for extenuating circumstances.**

**OFF-LIMIT AREAS:** In order to maintain proper security on school grounds, certain areas are considered “off-limits”:

**Parking Lot:** Once a student arrives on campus, he/she is to report to class or designated areas. No loitering is allowed in the parking lot at any time. Students may not return to their cars during the school day without permission from an administrator.

**Hallways:** Students are not allowed to be in the hallways during the instructional periods without a written pass from an adult. The instructional hallways are off-limits during both lunches.

**P.E. Locker Rooms/Hallway:** The locker rooms are off-limits to students unless they are dressing out/in for physical education. No students are allowed in the P.E. hallway during lunch.

**Teacher Parking Lot:** Off-limits at all times.

**Doorways:** Students are not to stand and block doorways.

**Restrooms:** No loitering is allowed in the restrooms. Student who loiter will receive consequences. Additionally, students who are caught loitering in a restroom when a disciplinary infraction occurs (i.e. smoking, drinking, etc.) subject themselves to the same consequence as the students involved in the infraction.

**Faculty/Staff Restrooms, Workrooms, and Lounges:** These areas are off-limits to students at all times.

#### **SNACKS AND DRINKS IN THE COURTYARD AND CLASSROOMS**

Students will be allowed to carry food/drinks in the courtyard as a privilege. If trash becomes an issue, the privilege will be revoked. To prevent rodent and insect issues, students are only allowed to take bottled water to classrooms. Food and drinks are not allowed in classrooms unless the principal approves. **No food or drinks of any kind are permitted in the computer labs, media center, and science classrooms.**

**\*Food deliveries are not permitted.** Students are not permitted to leave campus for lunch or have food delivered to the school for lunch.

**PUBLIC DISPLAY OF AFFECTION:** Public display of affection between students is not appropriate at school. Kissing or physical contact beyond hand holding is not permitted and may result in disciplinary action.

**DRESS CODE:** Generally, student dress is considered appropriate as long as it does not, or foreseeably could not, interfere with the educational process, cause disruption, or damage school property. When a student’s attire is deemed to be inappropriate by an administrator, the student will be asked to make modifications, call someone to bring acceptable attire, and temporarily be placed in ISS until the problem is resolved. Any absence caused by a student being dressed inappropriately will be considered unexcused.

**Note: The following are guidelines. AHS administration reserves the authority to make judgments in regards to student dress code.**

1. Attire must comply with requirements for health and safety.

2. Shoes must be worn at ALL times. Bedroom slippers/shoes are not allowed.
  3. Attire must not be immodest, obscene, profane, lewd, vulgar, indecent, or offensive.
  4. Clothing must not display any representations or advertisements for alcoholic beverages, tobacco, controlled drugs, illegal drugs or paraphernalia, or weapons.
  5. Pajamas, pajama pants, and lounge wear are not allowed. This includes flannel or microfleece.
  6. Clothing which displays inappropriate double meanings is not allowed. Spiked jewelry, padlocks, chains and metal heel plates are not allowed.
  7. Head gear, including hats, sweatbands, doo-rags, sunglasses, etc., is prohibited inside the building. Bandanas are not allowed at AHS.
  8. Picks, combs, and curlers are not allowed in the hair inside school buildings.
  9. Pacifiers are not allowed.
  10. Undergarments must be worn at all times.
  11. Sagging pants are not appropriate or allowed. Outer-garments must conceal undergarments.
- FYI - Shorts are considered undergarments if they are worn underneath another pair of pants/shorts.
12. Shirts must overlap pants/shorts/skirts. No midriffs!
  - 13. Length of shorts/skirts/dresses** - Shorts, skirts, and dresses, even with leggings/jeggings must NOT be shorter than the student's fingertips (longest finger) when their arms are extended by their side while standing. Slits/holes in clothing must also be no shorter than the student's fingertips (longest finger) when their arms are extended by their side while standing. Softe shorts, cutoffs, bathing suits, and short shorts are not appropriate at school and are not to be worn at school at any time. Leggings/jeggings must be covered with a top that meets the length of the student's fingertips (longest finger) when their arms are extended by their side while standing (the top must be long enough in the front, back, and on the sides).
  14. See-through clothing, spaghetti strap tops, tube tops, form-fitting pants (such as yoga pants, leggings, jeggings, tight skirts and dresses), cut-off shirts, halters, or clothes exposing the mid-section or bare shoulders are not allowed. Shirts and blouses are to be buttoned appropriately. All tops must have a shoulder strap of three fingers in width on each shoulder (Bralettes are not included in 3 inches). It is never appropriate to show undergarments. Shirts that are sleeveless should show no more than 3 inches below the underarm unless another shirt is worn underneath.
  15. Blankets: The decision to restrict blankets is to maintain a professional environment conducive to learning. Blankets can pose safety concerns, obscure inappropriate behavior, and potentially distract from the educational setting.

**SUBSTITUTE TEACHERS:**

It is our expectation that students will treat substitute teachers with respect, follow directions, uphold school rules, and do the work that is given while the teacher is absent. Failure to do so may result in immediate removal from class and administrative consequences.

**HAZING:** Hazing means, but is not limited to, the wrongful striking, laying open hand upon, threatening with violence, or offering to do bodily harm by a superior student to a subordinate student with intent to punish or injure the subordinate student, or other unauthorized treatment by the superior student of a subordinate student of a tyrannical, abusive, shameful, insulting, or humiliating nature. Incidents of hazing are Level II or Level III offenses. Level II offenses involve planning hazing and/or preparing to engage in hazing, or being present when others are planning hazing and/or preparing to engage in hazing. Level III offenses involve engaging in hazing and/or being present when others are engaging in hazing.

**BULLYING:** Harassment, intimidation, or bullying: a gesture or written, verbal, physical, or sexual act (1) that is reasonably perceived to have the effect of harming a student physically or emotionally or damaging a student's property, or placing a student in reasonable fear of personal harm or property damage and/or (2) that results or demeans a student or group of students, including acts which cause substantial disruption in, or substantial interference with, the orderly operation of school. Aynor High School has a ZERO TOLERANCE POLICY on harassment, intimidation and/or bullying (including cyber bullying: an act of a person being tormented, threatened, harassed, humiliated, embarrassed or otherwise targeted by a person or group of persons using the Internet, interactive and digital technologies or mobile phones). Discipline sanctions for such actions may result in suspension from school for an extended period of time, an expulsion hearing and/or police involvement. All students should immediately report any concerns regarding harassment, intimidation and/or bullying to AHS administration.

**DEROGATORY/DEFAMATORY/INSIGHTFUL LANGUAGE:**

Derogatory/defamatory/insightful language will not be tolerated at Aynor High School. Any such language could be considered abusive and may result from suspension from school. Each incident will be investigated and due process provided. We encourage all students to follow the golden rule: do unto others as you would have them do unto you. Continued such behaviors could be considered harassment/ bullying and could result in suspension or an evidentiary hearing as well as law enforcement involvement.

**CELL PHONES, PAGERS, and OTHER ELECTRONIC DEVICES:**

At Aynor High School, the school's cell phone and electronic device policy will be as follows: Cell phone and electronic device usage is prohibited during all instructional time. Teachers will establish classroom procedures for cell phone and electronic device usage and communicate this information to their students. Appropriate times for students to use their devices may include: prior to 8:25 a.m., during class changes, at lunch, and after school. Interfering with the

instructional program or a school activity including, but not limited to, inappropriately messaging through the use of a cell phone, a camera cell phone, or any other electronic device, which includes the use of iPods, cameras, handheld games, etc. is prohibited. In addition, such devices are never to be used in any area in which an individual has a reasonable expectation for privacy including, but not limited to, restrooms, locker rooms, and showers. In the event of a violation, school personnel are authorized to take the device from the student but provide for the return of the device to a parent/guardian. First violations are generally considered to be a level I offense (disorderly conduct); succeeding or egregious offenses will result in more serious consequences such as, but not limited to, out-of-school suspension, revocation of the right to bring the device on campus, or immediate suspension pending an evidentiary hearing. The school or district assumes no responsibility for any damaged, lost, or stolen devices. Continued misuse or abuse of a cell phone or electronic device may result in revocation of privileges which includes devices being prohibited and/or turned off and put away during the entire school day. Students may not utilize earbuds, headphones, air pods, or the like if the devices obstruct or prevent students from hearing with regard to their surroundings. For example, students with devices in their ears being unable to hear adults or others speaking to them, providing directives, or unable to hear directions for emergency exit/procedures in the event of a crisis. Failure to comply with this expectation may result in complete revocation of all listening devices being placed in/over the ears during the school day.

**AUDIO/VISUAL ELECTRONICS:** Due to the disturbance and distraction created, all audio/visual CD-players, mp3-players, iPods, iPads, e-readers, DVDs-players, cameras, walkmans, etc are prohibited in the school building during school hours. If detected, they can be confiscated. **Students must obtain permission from administration for these devices to be used on school grounds.**

**CELL PHONE POLICY:** Students are permitted to have their cell phones and electronic devices at breakfast, break, and lunch. This includes but is not limited to ear buds, smart watches, and other smart devices or gaming devices. Cell phones and electronic devices are not permitted during class time. During class time, these devices should not be seen or heard. Teachers may ask students to place their devices in a storage container or their book bags upon arrival to class. Students should comply with their teacher's expectations regarding these devices. Failure to comply with the school's policy will result in consequences as listed below and may result in a loss of privileges to bring the device(s) to school. Refusal to obey or disrespect may also warrant additional consequences.

**SEXUAL HARASSMENT:** Sexual harassment consists of unwelcomed sexual advances, requests for sexual favors, and/or other verbal or physical conduct of a sexual nature. Any student participating in deliberate or repeated unsolicited verbal comments,

is also engaging in sexual harassment. Sexual harassment is a form of sex discrimination which is prohibited by federal and state law and Horry County Schools. Any student who feels that he/she has been the victim of sexual harassment is encouraged to report the matter to a school administrator or teacher. All allegations will be promptly investigated and addressed. No one who seeks information about sexual harassment, reports an allegation of sexual harassment, or cooperates in the investigation of sexual harassment may be subject to retaliation or reprisal in any way. Anyone found to have engaged in sexual harassment will be subject to disciplinary action as outlined in the School-wide Discipline Plan.

**FIGHTING POLICY:** The penalty for being involved in a fight, defined as an exchange of physical blows (hitting, slapping, pushing, shoving), will be determined by administration based on the facts surrounding the incident (see pages 26 and 28 for physical altercation and simple/aggravated assault consequences). In first offense cases determined to be severe enough, the administration will make recommendation for expulsion to the district hearing officer. In addition, local police will be contacted and an incident report will be filed.

Students are advised if they are threatened, harassed, or intimidated in any way by another student, they should immediately report the matter to a teacher and/or administrator. Taking matters into your own hands, or responding to the other student by threatening, criticizing, hitting, pushing, slapping, or shoving IS NOT ACCEPTABLE. Therefore, do not fight back, but allow school officials to handle the matter.

Students who do not fight back will not be punished. Students who have the opportunity to walk away from a fight after being provoked and do not do so are subject to a minimum penalty of three days OSS. Students who are aware that another student may want to engage in a fight and do not seek administrative intervention will receive the same consequences as the student who starts the fight.

In the event that a fight breaks out, students are advised to move away from the area of the disturbance, and not get in the way of administrators or teachers who are trying to deal with the situation. Standing around, standing on tables, standing in aisles so as to hinder school officials, refusing to leave the scene when asked to do so are violations of the no fighting policy and disciplinary action may result. Students who film fights, confrontations, or other incidents and who post them on social media, share them via text, or through other means (including, but not limited to all electronic sharing) are subject to consequences as well.

Students or groups that instigate fights but who are not actively involved (that is, students who carry rumors, put others up to fighting, carrying information back and forth between other individuals who subsequently fight, take up the cause of their friends, or purposely attempt to provoke a fight) subject themselves to the same penalties

dog “alerts” on a locker or vehicle, the student will be asked to open the locker or vehicle and have it searched. If the student refuses, law enforcement will be contacted to conduct the search. This program is designed to deter the possession and use of illegal substances on school campuses and to periodically search for weapons and other dangerous devices. A student is responsible for all items found in the car he/she is driving, whether they were aware of the item or not.

#### **USE OF METAL DETECTORS**

The administration will coordinate and conduct random searches using walkthrough metal detectors and wands as students enter school premises. Searches may also be conducted at *random locations* and times throughout the week and day. Randomly selected students are required to be searched and walk through the metal detectors. Students are reminded that they must arrive at school in time to go through the metal detector search area and still get to class on time. Students who deliberately by-pass the detectors will receive in-school suspension for refusal to obey established school safety procedures.

**SCHOOL-WIDE DISCIPLINE PLAN:** The staff will make every effort to interpret and enforce the school-wide discipline plan in a consistent and fair manner. **Any behavior considered inappropriate or disruptive to the educational environment that may not be specifically dealt with in this plan will be handled in a manner the administration feels is most appropriate for all concerned.** The following rules and consequences are outlined as contained in the regulations governing student conduct established and required by the S.C. Board of Education. School rules apply to any student 1) who is on school or District property; 2) who is in attendance at school or any school-sponsored activity, whether on or off district property; 3) who is on a school bus or other District vehicle; and 4) whose conduct at any time or in any place has a direct and immediate effect on maintaining order, providing an optimal learning environment, and ensuring discipline in Horry County Schools. For further explanation of the State Discipline Code, refer to the Horry County Schools Parent Student Handbook.

***\*\*At the discretion of the principal or his/her designee, repeated discipline infractions may result in loss of privileges (such as, but not limited to: parking passes, athletic passes, use of computers, honor societies, after school activities, leadership roles in organizations, etc.)***

***\*\*Students who have repeated/numerous disciplinary infractions may be issued consequences more severe than the consequences listed for each incident below based on the students hierarchy of discipline infractions.***

***DISORDERLY CONDUCT—Level I: is defined as those activities engaged in by student (s) which tend to impede orderly classroom procedures or instructional activities, the orderly operation of the school, or the frequency or seriousness of which disturbs the classroom or school.***

as those involved in the fight. In sum, fighting will not be tolerated on this campus, on the school bus, or at any school sanctioned event for any reason.

**POSSESSION AND/OR USE OF TOBACCO PRODUCTS, INCLUDING VAPE DEVICES/E-CIGARETTES/JUULS/PODS/ CHARGERS/AND ALL RELATED EQUIPMENT OR DEVICES:** The possession or use of tobacco products or vape devices is prohibited on any Horry County School District property, school buses, or at District-sponsored /school-sponsored activities, whether on or off District property. Students in violation of this policy shall be disciplined in accordance with State law and District policies. (see page 27)

**ELECTRONIC CIGARETTES/ PERSONAL VAPORIZERS:** These devices are not allowed on campus and will carry the same disciplinary consequence as tobacco.

**DETENTIONS:** Students who refuse to serve or fail to report to detention as assigned will be assigned 1 block of ISS for first offense, 1 day of ISS for second offense, 2 days of ISS for third offense and 1 day of OSS for fourth offense.

**IN-SCHOOL SUSPENSION:** ISS is designed to remove a student from normal daily activities following a disciplinary infraction while allowing him/her to keep up with class work and assignments. The student is to bring all textbooks, paper, pencil, and any other necessary supplies. Students assigned to ISS will report to the ISS supervisor on time and as scheduled. Any student who is late or leaves early will be required to make up the missed time. OSS will not be assigned in lieu of ISS.

While in ISS, the student will be required to work on all assignments given by the ISS supervisor. If a student completes all the assignments given by his/her teachers, the ISS supervisor will assign additional work to be done for the remainder of the day. At no time will a student be allowed to talk, sleep, or waste time while in the ISS room. Students who violate ISS rules may be assigned additional days by an administrator. Refusal to report to ISS or misbehavior in the ISS room will result in immediate OSS and the student will serve the originally assigned ISS upon returning to school.

**OUT-OF-SCHOOL SUSPENSION:** According to State law, a student may be suspended from school for the commission of any crime, gross immorality, gross misbehavior, persistent disobedience, or the violation of written rules and regulations established by the District or the S.C. Board of Education. The District may also suspend a student when the presence of the student is detrimental to the best interests of the school.

Suspension is the exclusion of a student from school and school activities for a period of time not to exceed ten (10) school days for any one offense. Suspension means the student cannot attend school or be on the school grounds unless it is with a parent for a conference with an administrator, cannot attend any program at the school in the daytime or at night, and cannot ride a school bus. If a student violates suspension and comes on the grounds, the number of days for suspension may be doubled and the student may be subject to trespassing charges.

**EXPULSION:** A student may be expelled for any behavior infraction; for the commission of any crime, gross immorality, gross misbehavior, or for the violation of any written rules and regulations of the District or the S.C. Board of Education; or when the presence of the student is deemed to be detrimental to the best interest of the school. Expulsion means the complete denial of school services for the period of time specified in the expulsion decision; therefore, an expelled student cannot attend school or be on school grounds, cannot attend any program at a school in the daytime or at night, and cannot ride a school bus. The assignment of a student to a different school or program is not an expulsion.

If procedures for expulsion are initiated, the parent of the student shall be notified in writing of the time and the place of a hearing before a District Hearing Officer. The hearing shall take place within ten (10) school days of the written notification at a time and place designated by the Hearing Officer, and a decision shall be rendered within seven (7) school days of the hearing. The student may be suspended from school and from all activities during the time of the expulsion procedures.

At the hearing, the parent shall have the right to legal counsel and to all other regular legal rights, including the right to question witnesses in a manner determined by the Hearing Officer. The right to appeal the decision of the Hearing Officer to the District Appeal Board and/or the Horry County Board of Education is reserved to either party in accordance with the provisions of this policy.

**SEARCHES OF PERSON AND PROPERTY:** Pursuant to State Law, persons entering school property are deemed to have consented to a search of their person and property. This gives administrators the right to search student lockers, persons, or personal property whenever reasonable suspicion exists that a student or visitor is in possession of a weapon, illegal substance, stolen property, etc. All students who participate in overnight trips sponsored by Aynor High School will be subject to search (including bags and person).

**RANDOM DRUG SEARCHES:** The district has contracted with a private company to conduct random searches of school campuses throughout Horry County. These searches are conducted by professionals using trained canines. These searches include all areas of the building, student lockers, and the student parking areas. If the

## **PARENT/SCHOOL COMMUNICATIONS**

**CONFERENCES:** Parents are encouraged to schedule conferences with teachers whenever they deem it necessary. The student should, in most cases, be an integral part of the conference.

\*\*\*Parents who wish to visit their child's classes during instructional time must have the principal's approval. Parents must contact the principal in advance for scheduling and approval of such visits. "Last minute" visits may be denied by the principal if he/she has not been given appropriate notice.

**TELEPHONE CALLS:** Parents are invited to call the school to get information or to discuss concerns. A message will be given to the appropriate person to return the call if he/she is not available. Instruction will not be interrupted for phone calls. Because of our limited office staff, we are unable to accept messages over the phone for students except in emergency cases. Students' use of the office phones will be limited to emergencies only. Students are not to be allowed out of class to use the phone for non-emergency calls home.

**VISITORS:** All visitors are to report to the main office for a visitor's pass. Parents are invited to be a part of the school family and an extension of his/her student's learning.

### **PARENT LINK:**

The school will periodically use an automated phone system to call parents with important information. Please make sure all telephone numbers and e-mail addresses are up-to-date in our system to ensure delivery of this information.

**PRINTED MATERIALS:** Newsletters and fliers will be distributed at intervals to keep the public informed of school news. No unauthorized posters or fliers are to be distributed or posted. Any student or staff member wishing to post materials must first obtain permission from the principal.

**DELIVERIES:** Deliveries of flowers, presents, clothing, books, etc. to students may be made to the Aynor High School office. Deliveries will not be made to students during class time but will be given at the end of the day. Flowers/balloons must be left in the main office until the end of the day and may not be taken on the school bus due to safety reasons. No balloons or glass containers will be accepted. **Food deliveries are not permitted.** Students are not permitted to leave campus for lunch or have food delivered to the school for lunch.

**COMPLAINTS:** The most effective means of solving any conflict is to

talk directly with the party involved. It is strongly suggested that if a student or parent has a problem with an individual teacher, they discuss the problem with that teacher first. If a problem cannot be resolved with the party directly involved, the person with the complaint should meet with the assistant principal or the principal. If the problem is still unresolved, information will be provided on Horry County Schools grievance procedures.

## **EMERGENCY PROCEDURES**

**SCHOOL-WIDE CRISIS PLAN:** Aynor High School, under the guidance of the Horry County Schools system, has developed a school crisis plan which outlines specific steps to be taken in the event of an emergency. This plan is updated regularly by the school crisis team. Students will be given specific instructions and practice concerning emergency procedures.

**SCHOOL LOCKDOWN:** When a school lockdown is announced, all students are to remain in their classrooms with their teacher until an announcement is made that the lockdown is over. In the event that a student is not in class at the time of the announcement, he/she should report to the nearest area where an adult is present (classroom, guidance, library, etc.). Students are not allowed to leave during a lockdown for any reason. Any student who does not follow guidelines during a lockdown will be subject to disciplinary action.

**TORNADO/SEVERE WEATHER DRILLS:** The signals for this drill will be a public address announcement. Students will accompany their teachers to the designated shelter area. If outside, please report to the main building or, if a tornado is in sight, lie down in the nearest low area or ditch.

**FIRE DRILLS:** The signals for this drill are loud rings and flashing emergency lights and/or notification over the public address system. If there should be a power failure, emergency power will keep our systems functioning. Walk quietly and quickly to the area designated by your teacher. Maintain single lines and follow instructions designated for the room being evacuated.

Instructions for such procedures will depend upon the circumstances at the time. Follow the instructions given by the teacher or those on the public address system. Students are to remain at least 50 feet from the building until the signal is given to re-enter. No one is to return to the building until the all-clear signal is given by the principal.

## **EQUIPMENT**

**SCHOOL:** Students are held responsible for any school equipment they use or rent (books, uniforms, instruments, etc.) and for returning the same at the time requested. Any losses or damage to school equipment, property, or facilities will be paid for by the student.

**RESPONSIBILITY FOR POSSESSIONS:** Students should limit items brought to school to those items necessary for school activities. The administration is not responsible for items brought to school which are lost or stolen. Thefts should be reported to the office to aid in recovery.

**LOCKERS:** Valuable articles should not be left in lockers. Keep in mind that the lockers are school property and subject to search if it is suspected that they contain illegal substances or other articles that would endanger students or school staff. Problems with hall lockers should be reported to Mr. Tom Krzykowski (ISS teacher). Problems with gym lockers should be reported to the P.E. instructor.

**TEXTBOOKS:** All textbooks issued to students are the property of the State of South Carolina or Aynor High School and must be accounted for by the school. Once a textbook is issued, the student is responsible for it until it is returned. Textbooks that are lost or stolen must be paid for by the student. Students should not leave books in a teacher's room.

**TECHNOLOGY/COMPUTER EQUIPMENT:** Aynor High School is fortunate to have a variety of computer equipment available for student use. With the use of the equipment comes responsibility for its proper care and maintenance. No student is to alter the configuration of any computer in the building or load unauthorized programs. Disks or other storage devices brought from outside sources may contain viruses that can disable individual machines and/or the school computer network. Under no circumstances should students try to connect laptops or other mobile devices from home to the district network. Any student caught tampering with computer equipment will be subject to disciplinary action as outlined in the School-wide Discipline Plan.

## **AHS PDL DEVICE USAGE AGREEMENT**

1. Each student is required to have a lunch PIN number to go through the lunch line.
  2. Meals may be charged to the students account. A student is allowed to charge up to (3) three meals. After three charges, the principal must decide the course of action to take. Students are notified of charges by the cashier. Parents are notified of charges through written charge letters and telephone calls.

### STUDENT ACTIVITIES

**ATHLETICS:** Please see the Aynor High School Handbook for Student Athletes beginning on page 41.

**CLUBS:** Our school offers a variety of student organizations. Current clubs include: Beta Club, FCA, Anchor Club, Key Club, FFA, Student Council, Honor Society, FCCLA, Book Club, Junior BETA Club, National Honor Society, Mu Alpha Theta, Art Honor Society, and Spanish Club. Example: A student is in the honor society gets a level 3 offense. This student will be removed from club leadership positions and from the organization(s) in which they participate in.**

### TRANSPORTATION

**IMPORTANT: At the discretion of the administration, students may lose driving privileges due to disciplinary actions if behavioral, attendance, or tardy issues arise.**

**AUTOMOBILES:** The administration will establish rules and regulations for the safety of all persons using school parking lots and for the maximum protection of the vehicles. **However, the school or district will assume no responsibility for damage to cars or for theft of cars or articles from cars.** All faculty and student vehicles parked on school property must be registered and assigned a parking space. Vehicles not parked in the correct space will be ticketed. All vehicles must have a current, state issued license plate. No tractors, off road vehicles, etc. A list of rules and regulations (see page 38), and fines imposed will be given during registration. #### **TRAFFIC FLOW FOR EXITING STUDENT PARKING LOTS**

**AFTER SCHOOL:** To maintain an orderly flow of traffic and the safety of pedestrians and drivers, a pattern of traffic flow for students exiting the student parking lots has been established. Students parking in the student parking lot closest to the gymnasium will exit the parking lot and make **right turns only** from 3:25 to 3:45 p.m. Students parking in the student parking lot closest to the football field will exit the parking lot and make **left turns only** from 3:25 to 3:45 p.m. Administration, faculty/staff and school security officers will monitor and direct the flow of traffic as students exit campus from 3:25 to 3:45 p.m. Drivers should obey the traffic director (s) at all times. Athletes wishing to move their vehicles from one parking area to another for athletic practices should wait until the traffic from after school dismissal is clear and/or the traffic director signals the flow of traffic is back to normal.

Vehicles attempting to enter the student parking lot closest to the gymnasium from 3:25 to 3:45 p.m. will not be allowed to enter until the student parking lot traffic from after school dismissal is clear and/or the traffic director signals the flow of traffic is back to normal.

**BUSES:** It is important to remember that the bus drivers are in complete charge of the students on their buses, and their instructions must be followed at all times. Smoking or eating is not allowed on the bus. Offenses on the bus will carry the same punishment as similar offenses at school and may result in loss of transportation privileges, ISS, OSS, and/or expulsion. All problems related to buses should be discussed with the Bus Supervisor.

**Aynor High School  
Alma Mater**

*On the coast of Carolina,  
Stands the school we love the best;  
Blue the banner waving o'er her,  
Emblem of her fearlessness.  
High green pines are all around her;  
English ivy climbs her walls.  
Hallowed are the many memories  
Of years spent within her halls.*

*To Aynor High our Alma Mater,  
Pledge we now our loyalty;  
True are her daughters, strong her sons,  
Crowning her with victory.  
Her guiding hand, her praise, her name,  
We'll sing above the rest.  
We shall to all the world proclaim  
The glory of our AHS.*

**Aynor High School Coat of Arms**

The symbols on the AHS Blazon indicate part of the rich heritage that is prevalent in our school and community. The lamp at the top signifies education. The saddle and bridle represent the story behind the founding of Aynor - Everett Lewis bought 3000 acres of land known as the "Aynor Tract", later a stranger rode into the area and traded his horse, saddle and bridle for the land; then walked away, never to be heard from again. Then Mr. Burroughs bought the land for taxes. The three spear heads and rampant lion were derived from the Lewis Coat of Arms (original owner of the Aynor Tract). The pine tree is prevalent in the Aynor area.

"Aynor High School began near the middle of September, 1926. The school was organized by Mr. Harold Patrick and held its first classes in an old store building in downtown Aynor. It moved to its present site in the fall of 1927 in a building previously known as the Horry Industrial School operated by the Methodist Conference. The first graduation was held in 1930." (Mr. Quentin Cook)

## PROCEDURES AND EXPECTATIONS FOR SCHOOL-WIDE EVENTS

During assemblies, you are expected to refrain from talking and give the speaker and guests your undivided attention. Failure to do so will result in disciplinary action ranging from a student conference to an evidentiary hearing depending on the nature and severity of the disruption. If disruption is severe, police could be involved and you could be arrested and charged with “Disturbing Schools”.

**If our American flag is being presented by a Color Guard,** you are expected to

- \* Remove your hat
- \* Stand when the flag enters the room.
- \* Place your right hand over your heart.
- \* Refrain from talking to your neighbor.
- \* Your eyes should follow the flag as it enters, when presented, and as it exits.

**When our Alma Mater is played,** you are expected to stand and sing.

**During our “Minute of Silence” at the beginning of school,** you are expected to remain quiet. If you are entering the school or walking in the hallways, you are expected to stop and remain silent.

**During the “Pledge of Allegiance,”** you are expected to stand, place your right hand over your heart, remove hats, and recite our pledge unless you have religious beliefs that interfere with you saying the “Pledge of Allegiance.”

**During announcements,** it is expected that you will refrain from talking and listen to the announcements.

**At the close of class,** you are expected to remain in your seats, or at your stations, until you are released from class by your teacher. Do not line up at the door waiting for the bell to ring.

## **Information:**

**Athletic Department- 843-488-7117  
Website – [www.AynorBlueJackets.net](http://www.AynorBlueJackets.net)**

### **Welcome!**

Participation on an athletic team can be a rewarding and meaningful educational experience that enhances a child's secondary education. It is important that students realize the time demands, responsibility, dedication and sacrifices required when making this kind of commitment. The following information defines the interscholastic policies and procedures for all students participating in our High School Athletic Programs. The Athletic Department hopes this document provides parents and students with a better understanding of our philosophy, goals and policies. Please refer to the following information when a question about your child's athletic experience arises.

### **Philosophy of Athletics at Aynor High School:**

At Aynor High School, we consider athletics an integral part of the educational experience. Athletics provides opportunities that will help students develop physically, mentally, and emotionally. We view the competition of athletics as a healthy educational and physiological activity because it challenges each student to excel, to discover his or her physical limits, and to work cooperatively with team members. While winning is a natural goal in the pursuit of excellence, the principles of good sportsmanship and enjoyment of competition take precedence at all times and enhance the educational value of contests.

## **AHS Athletic Team Information**

### **I. Standards for Participation**

In order to participate in organized athletics, all student-athletes must have the following:

- Signed release forms which includes an Updated Medical Clearance form, Permission of Parent to Participate, Emergency Information, Concussion form and Student Agreement. These documents must be signed and will be held on file at the start of each athletic season. This packet can be found on the AHS website.
- Four components: 1) Valid Physical examination completed since April 1 of the previous school year, 2) Medical Release form,
- 3) Parent consent form, 4) Authorization of medical release form
- Satisfaction of all eligibility requirements of the South Carolina High School League and the Horry County Schools.

**\*Remember, participation in athletics is a privilege, not a right.**

### **II. Program Goals**

Though the unique nature of each sport dictates its specific objectives, all teams will attempt to:

- Emphasize the development of basic skills, appropriate attitudes, values and team concepts.
- Allow as many students as possible to participate and share the experience and benefits derived from team membership.

Participation at the Varsity level is generally limited to the most highly skilled players and those with the ability to interact constructively with other players for team success. The coaching staff will determine the level of play for each student-athlete (Varsity, Junior Varsity and JV) based on what would be most beneficial to the development and progress of each player and team. It should be understood that playing time could be limited.

### **III. Athletic Offerings**

#### **IV. Team Tryouts / Selection**

During the tryout period, each coach will provide an explanation of his/her expectations. It is the duty of the student to demonstrate to the coach that they can fulfill these expectations. If a student is not selected for a team, he/she may contact the coach personally for an explanation. Students who are not selected are encouraged to explore other AHS athletic opportunities on teams that have not finalized their rosters.

The coaching staff of each sport has the sole responsibility for selecting members of the team, determining the level of play, and apportioning the amount of playing time for each student-athlete.

#### **V. Commitment**

Each member of an athletic team MUST:

- Commit to being present at all team activities (including try-outs, practices, meetings and contest with other schools).
- Dedicate himself/herself to becoming an excellent team member and school citizen.
- Commit to maintaining passing grades throughout the season of play and attending tutorial sessions and/or Coaches Study Hall sessions during, before, or after school as needed to improve academics if in danger of failing a course(s) for the semester or school year.
- Strive to continually improve as a student-athlete.
- Demonstrate pride in team performance and in himself/herself as members of a team and of AHS.

#### **VI. Game/Practice Sessions**

Practices are held daily for approximately 2 to 2 ½ hours, or as deemed appropriate to the activity. Some practices and games may be held on weekends. Most practice sessions do not begin before 3:45 p.m. Any team member who must be late or miss practice, games, or meetings must confer with his/her coach. Practice and game schedules, particularly in the case of winter and spring sports, include school vacation times. Students and families should take this into consideration when deciding to try-out for our teams.

#### **VII. Absence Policy**

Unexcused absences from practices may jeopardize retaining a position on the team, an opportunity to earn a varsity letter, and/or playing time at the coaches' discretion.

\*4 unexcused absences in a sports season will result in dismissal from a team.

Excused absences from practices may impact position on the team and playing time, not as a punitive measure, but for the safety of that individual, fairness to the rest of the team, and strategic reasons. Attending tutorial during practices is considered an excused absence.

Student-athletes are responsible for communicating with coaches in advance if he/she will miss a practice or part of practice due to attending tutorial sessions.

#### **VIII. Leaving the Team**

It is to be understood that once an athlete has been dismissed from a team, he/she will not be readmitted to any other team for that particular season. It is also to be understood that an athlete voluntarily removing himself from a team without permission of the coach shall not be admitted to any other team during that season.

The athlete will not be allowed to participate in any sport in the season following until his or her previous team's season is completed.

#### **IX. NCAA Eligibility- To be eligible to play at a Division I and Division II College:**

**Here is the NCAA website for more information about playing in college and what you need to do to make sure your athlete is eligible to play. Go to the website [www.ncaa.org](http://www.ncaa.org) and click on student athlete. The website will provide the initial-eligibility for both Division I and Division II schools.**

#### **X. National Letter of Intent Signing Responsibilities**

1. Student-Athlete/family: coordinate the signing date with the college coach, notify the AD, if different than the original date; all college memorabilia to be used at the signing will be provided by the family; any reception following the signing is up to the family; the student-athlete will provide the AD any career highlights to be used in a press release/invitation to the signing.
2. Athletic Department: reserve the Coaches Corner after confirmation of date with student-athlete/parent; prepare email notification of the signing for all AHS employees, the coach, local media., and school administration.
3. Only student-athletes signing a national letter of intent or a preferred walk-on will be allowed to have an official signing ceremony at Aynor High School.
4. A student athlete must also be in good standing with his/her respective sport's team at Aynor High School.

#### **Parent Coach Relationships**

Parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of others and provide greater benefit to our children. As parents, when your children become involved in a program, you have a right to understand what expectations are placed on your child. This

begins with clear communication from the coach of your child's program.

Communication you should expect from your child's coach:

1. Philosophy of the coach
2. Expectations the coach has for your child as a member of the team
3. Locations and times of all practices and contests
4. Team requirements (fees, special equipment, off season conditioning, etc.)
5. Procedures should your child be injured during participation
6. Discipline that results in the denial of your child's participation

Communication coaches expect from parents:

1. Concerns expressed directly to the coach
2. Notification of any schedule conflicts well in advance
3. Specific concerns in regards to a coach's philosophy and/or expectations

As your children become involved in the athletic programs at Aynor High School, they will experience some of the most rewarding moments of their lives. It is important to understand that there also may be times when things do not go the way your child wishes. At these times, discussion with the coach is encouraged.

Appropriate concerns to discuss with coaches:

1. The treatment of your child, mentally and physically
2. Ways to help your child improve
3. Concerns about your child's behavior

It is very difficult to accept your child's not playing as much as you may hope. Coaches are professionals. They make judgment decisions based on what they believe to be best for all students involved. As you have seen from the list above, certain things can be and should be discussed with your child's coach. Other things, such as those listed below, must be left to the discretion of the coach.

Issues not appropriate to discuss with coaches:

1. Playing time
2. Team strategy
3. Play calling
4. Other student athletes

If at any time a student-athlete or parent desires to lodge a complaint or discuss an alleged conflict, the following protocol should be observed:

1. Contact the coach involved. For example, JV team players/parents would contact the JV coach.
2. If the conflict is not suitably resolved, contact the Head Coach of the program.
3. If the conflict is not suitably resolved, contact the Director of Athletics.
4. If the conflict is not suitably resolved, contact the High School Prin-

- cipal.
5. If the conflict is not suitably resolved, contact the Superintendent of Schools.

**Note: Please DO NOT attempt to confront a coach before, during, or after a contest or practice. These can be emotional times for both the parent and the coach. Meetings of this nature do not promote resolution.**

#### **Sportsmanship Policy:**

AHS expects all parties present at a contest to display the highest possible level of sportsmanship. Players, coaches, and spectators should treat AHS coaches and players, opponents, game officials and visiting spectators with respect at all times. AHS reserves the right to warn, censure, place on probation or suspend (for up to one calendar year) any player, team, coach, or school official determined to be acting in a manner contrary to the standards of good sportsmanship. **Spectators who do not adhere to standards of good sportsmanship may be asked to leave the contest and/or be prohibited from future contests.** If you are not sure what details good sportsmanship, please follow this simple rule: *Cheer for your own team, but do not belittle coaches, players, opposing teams and/or officials.* We, at AHS, want the spectators to have fun at all events, but not at the expense of someone else.

#### **Three important SCHSL Rules pertaining to student-athletes should be noted:**

1. A player "thrown out" of a game shall, at a minimum, miss the next game.
2. A player "thrown out" of two games during the same season shall, at a minimum, serve a two week suspension.
3. An athlete who has been ejected from three contests during a school year (all sports) shall become ineligible for the remainder of the school year.
4. Striking or assaulting an official results in disqualification for one full year.

#### **School Athletic Equipment Policy:**

Students are responsible for and expected to maintain proper care of all equipment issued to them. Students are responsible for payment of any lost, stolen or damaged items. Each item not returned will be assessed at a rate comparable to the current replacement cost. All equip-

ment is to be returned at the completion of the season. Additionally, those student-athletes will not be allowed to participate in another sport. Student-athletes are not to wear uniforms, either practice or game, at any time other than those allowed by specified team regulations. Seniors will not be allowed to participate in the graduation ceremony until all fees are paid and/or equipment returned.

**Athletic Training Room Policies:**

AHS is fortunate to have a highly qualified and skillful full-time trainer as a member of our staff. On school days our trainer's hours usually begin at 9:00 a.m. and last until the conclusion of the last practice or home game. During weekends and times when school is not in session, the trainer is required to be on site only for contests and for some scheduled scrimmages. Occasionally, the trainer will be on site for non-school day practices.

The training program exists to help student-athletes receive the best possible care. At certain times, however, the trainer and training room facilities are extremely busy. Consequently, access to the training room and its services is limited to student-athletes who require care only. Training services are granted on a first come, first served basis on practice days. On game days, students will be treated in an order that will allow bus and/or game commitments to be met.

In the event of an athletic injury, the trainer is in immediate control. At away contests, if the trainer is not present, the host school medical personnel are in control. If no medical personnel are present, members of the coaching staff are instructed to "take charge" of the situation and, if warranted, call for emergency care. All sport-related injuries must be reported to the athletic trainer and a student may not return to competition without clearance by the trainer, which may also include written permission from a physician.

**Transportation Policy:**

When AHS provides transportation to and from athletic events, student-athletes are required to ride that transportation. The members of the athletic staff feel it is in the best interest of team unity that everyone travel together and share the game experience. As the "guardian" during these trips, the athletic staff must be able to account for the whereabouts of all student-athletes and ensure their safety. It is expected that our student-athletes will conduct themselves appropriately while on bus transportation. Any misconduct will result in appropriate disciplinary actions by the school. Student-athletes will be responsible for any damages to bus property and subsequent costs to repair or replace.

In the event that a parent wishes to take responsibility for the transportation of his/her son or daughter from the game, it is required that a parent/guardian must present himself/herself to a member of the coaching staff informing the coach that his/her child is leaving with him/her and sign him/her out on the coach's sign-out sheet. Student-Athletes

may then ride with their parent/guardian. Student-Athletes may not ride with anyone else other than their parent/guardian. Failure to follow the sign-out policy may result in disciplinary action of the athlete.
