

READING
<i>Identifies key ideas of text</i>
Describe characters, setting, and major events in a story using key details
Explain major differences between books that tell stories and books that give information
Identify the narrator at various points in a text
Identify the main topic and retell key details of a text
Use the illustrations and details in a text to describe its key ideas
<i>Compares relationships or actions from text</i>
Compare and contrast adventures and experiences of characters in stories
Identify the connection between two individuals, events, ideas, or pieces of information in a text
<i>Knows and applies phonics and decoding when reading</i>
Recognize the distinguishing features of a sentence (first word, capitalization, and punctuation)
Distinguish long and short vowel sounds in spoken single-syllable words
Isolate and pronounce the initial, medial vowel and final sounds in spoken single-syllable words
Decode one and two-syllable words
Name and spell common consonant digraphs, suffixes, glued sounds, and blends
Recognize and read grade-appropriate irregularly spelled words
Read on-level text with purpose and understanding
<i>Identifies and understands text features</i>
Use various text features (headings, table of contents, glossaries, icons) to locate key facts or information in a text
WRITING
<i>Can write on a topic using descriptive details to support main idea</i>
Write an opinion piece by introducing a topic, stating my opinion, giving a reason for my opinion and providing a sense of closure
Write an informative/explanatory text by naming a topic, supplying some facts about the topic and providing a sense of closure
Write a narrative by sequencing events, including details about what happened and providing a sense of closure
<i>Uses appropriate mechanics in writing</i>
Print all upper and lower case letters using correct formation, size and spacing
Use singular and plural nouns with matching verbs in basic sentences (He hops; We hop)
Uses appropriate capitalization and punctuation
Spell words using my knowledge of letter sound and patterns
<i>Use a variety of digital tools to produce and publish writing</i>
MATHEMATICS
<i>Counts appropriately for grade level</i>
Count forward and backward by any number by 1s
Count forward and backward from any number by 2s
Count forward and backward from any number by 5s
Count forward and backward from any number by 10s
<i>Understands and uses place value</i>
Write and understand any 3 digit number
Locate 3 digit numbers on a number line 0=999
Read, write, and compare $< > =$ and show multiple representations
<i>Can represent and solve problems involving addition and subtraction</i>
Represent and solve word problems involving addition and subtraction equations with numbers, pictures, and symbols
<i>Demonstrates understanding by applying appropriate strategies when solving addition and subtraction problems</i>
Use a strategy to solve subtraction problems and communicate about my strategy
<i>Can add within 20</i>
Automatically respond with correct addition facts up to 20 using efficient strategies

Demonstrate multiplication tables (1,2,5,10) as counting
Make combinations of 10
Add with regrouping
<i>Works with addition and subtraction equations</i>
Decompose numbers from 0-20
<i>Reasons with shapes and their attributes</i>
Construct common two-dimensional and 3-dimensional figures
Identify shapes as two-dimensional or three dimensional
<i>Measures lengths indirectly and by iterating length units</i>
Describe measurable attributes of objects such as length or weight
Compare two objects and see which has more or less of a measurable attribute (weight or length)
<i>Can tell and write time to the hour and half hour</i>
Tell time to the hour and half hour
<i>Can represent and interpret data</i>
Represent and interpret data (bar, line, graphs)

GRADE ONE SKILLS THAT ARE INTRODUCED ONLY
Identify even and odd numbers
Recognize fractions (whole, 1/2, 1/4)
Calculate perimeter of a straight sided closed figure
Identify coins and their value
