

Georgiana School

Vision

The vision of Georgiana School is to be a community of lifelong learners who are respectful, reliable, responsible, and prepared to meet the challenges of the future.

Mission

The mission of Georgiana School is to provide a peaceful, productive, and orderly school to meet the student’s academic, social-emotional, and developmental needs.

Beliefs

The beliefs of Georgiana School are: students can learn and be actively engaged, students should be treated with concern, dignity, and the respect they deserve and given the opportunity to participate in extracurricular activities in a safe environment.

Student Engagement	Professional Development	Learning Supports	Career Awareness
Objectives	Objectives	Objectives	Objectives
Engage learners in environments that promote productive and meaningful student engagement.	Professionals will participate in evidence-based professional learning to increase student outcomes	Stakeholders will provide a system of supports that addresses academic and non-academic barriers.	Provide an increased awareness and interest among all students while exploring all career clusters.
Critical Initiatives	Critical Initiatives	Critical Initiatives	Critical Initiatives
- Provide ongoing evidence-based instruction that supports students in Tier I. - Provide ongoing evidence-based instruction that supports students in Tier 2 and Tier 3. - Ensure that Pre-K-12th grade identified learners of the protected populations/subgroups will have equal access to the same free/appropriate public education.	All educators will be provided evidence-based professional development opportunities that deepen the understanding of student and teacher development and knowledge.	- Collaboration between the school and district leaders to offer meaningful parent/family engagement activities. - Increase non-academic opportunities for students to engage in activities that increase a sense of belonging and make them feel accepted and safe. - Implement effective evidence-based programs, strategies, and activities to assist in removing academic and non-academic barriers for all stakeholders.	Collaboration between local business/industry and school leadership to establish a partnership to expose students to career pathway possibilities.
