PSAT Test Results for the past 3 years

The PSAT Test is a standardized test to prepare students to take the SAT, the other college entrance exam used in the United States. The PSAT and SAT test includes a reading test, a writing and language test and a math test.

At MCA, all sophomores and juniors take this test annually, during a school day. In many public schools, the test is given on an optional basis and oftentimes only to 11th graders.

10th grade

Year	MCA's 10 th graders	National Score for 10 th graders
2020	995	958
2021	960	918
2022	1000	909

11th grade

Year	MCA's 11 th graders	National Score for 11 th graders
2020	1069	1044
2021	1033	944
2022	1001	986

Senior Class Data from the past 3 years

	# of students	Percent who graduated	Merit-based scholarships earned	Full-ride scholarships to college	Percent who went on to college
Class of 2022	31	100%	\$1,162,000	Mid America Nazarene, Oklahoma Baptist, Dallas Baptist, Colorado Christian (3) , Quachita Baptist, and Vanguard University	97%
Class of 2021	25	100%	\$859,139	Colorado Christian, Lipscomb University, John Brown University, Calvin University, and Oklahoma Baptist University	92%
Class of 2020	34	100%	\$938,448	Dartmouth University, Oral Roberts, John Brown University, Lipscomb University, Mid America Nazarene, and Samford	94%
