

SAISD PRE-KINDERGARTEN FAMILY CONNECTION NEWSLETTER

Parent Teacher Conferences

Parent/Teacher Conferences are under way! Conferences are an opportunity to discuss your child's progress and classroom dynamics. You are your child's first teacher, and know them better than anyone else. Your input is valuable! Communication between parents and teachers plays an important role in their success.

Write down any questions or concerns you may have for your child's teacher. This will help us work as partners to support your child's success.

Remember, parents can schedule meetings or communicate regularly through emails and SchoolStatus to stay updated on your child's education, school, and district events.

Circle Activity Collection: Family

Link: [Circle Activity Collection: Family](#)

The Circle Activity Collection: Family is a free web-based collection of activities designed specifically for families to support children's development and school readiness skills.

Many include video examples to help parents get started! Check it out!

About SAISD Pre-Kindergarten

We are happily growing hopes and dreams for some of our youngest learners in the community with our [pre-kindergarten program](#). Pre-k classes are taught by our caring educators, and the program is designed to provide your child with skills in listening, speaking, reading and writing.
