PLEASE NOTE THAT THERE IS NO CLASS ON JANUARY 23, 2025 (midterms) and FEBRUARY 20, 2025 (February Break).

The course is open to all juniors; any sophomore who is in Algebra II or Algebra II Honors may also enroll. We will limit class size to 40 students, so register early to secure a spot. We will need a minimum of 20 students for the course to run; juniors who register on time will have precedence over sophomores.

There will be simultaneous English and math sessions lasting 1 hour and 15 minutes each. The total cost for the course will be \$540; this fee includes the cost of the prep book. Registration for the course may be done online through Community pass (You can find the link on the district website or google Community Pass Park Ridge). You will need to set up an account if you have not already done so. Please submit your registration by Friday January 3, 2025, in order for the book order and delivery to be completed. There will be no refunds issued after January 3, 2025. Late registration (after January 3, 2025) will necessitate that the student independently purchase their own copy of the review book : *The Princeton Review: Digital SAT Premium Prep, 2025 edition*.
