

Mission Valley School Newsletter

December 2024

Charlotte's Web Lompoc Library Bookmobile at MVS! Tuesday, December 10th 10am – 11am

The Charlotte's Web Lompoc Library Bookmobile will be coming to Mission Valley School every month so that our students can check out books while they are on campus! We have conveniently scheduled the bookmobile to come on Tuesdays when your child is here for an enrichment class. So, as your child arrives for a class, they can check out a library book if they wish. If they have a library card, please have them bring it with them or if they do not have a library card, they can sign up for one.

*Happy
Holidays*

School Happenings

School Garden Update!!

We are excited to share that the creation of our school garden is underway! The school district is getting ready to prepare the plot for us and is installing a water system this month! Then, Explore Ecology will be working with us to design our dream garden and will be setting it up for us and planting a wide variety of plants and trees next month to get our garden established! Our intention is to have the garden ready by January so we can start using it for group lessons and activities.

*We hope you all have a safe
and wonderful holiday!*
