Secondary and CTE

High School: If you have any additional Early Grads, let me know ASAP. They must be approved at the board meeting tonight in order to graduate.

Ongoing items:

CTE teachers should continue using the spreadsheet provided to request instructional supplies.

HS---- Please do not withdraw a student from a CCP course. The only exception is a second-semester senior who doesn't have an opportunity to retake the course for grade suppression.

High School: The FAFSA is live. Please encourage students to complete it. Several federal funding lines are based on the percentage of completion. Completing one is required to attend most colleges, regardless of whether you are receiving grants and scholarships.

High School and 8th Grade: The High School Registration Guide will be released by tomorrow. Please remember all class registrations for next school year are due by March 31, 2025.

Middle School: The Career Development Plan Process is in full swing; please help all teachers and students understand this is a promotion requirement and will take everyone to make sure it happens. This process is not just filling out a paper, it is a multi-step process that will take several months to complete.
