FACULTY & STAFF APPRECIATION HOLIDAY GIFT CARD PROGRAM

Please help us thank ALL the teachers and staff who make Walden special.

In celebration of all of the wonderful faculty and staff at Walden, the Family Connection collects contributions to purchase gift cards for equal distribution to every lead teacher, assistant teacher, specialty teacher, and staff member each holiday season. The Family Connection started this tradition so that families could combine their resources and say thank you to ALL of the special individuals who make Walden unique. Your participation in the Faculty & Staff Appreciation Program is greatly appreciated, but is in no way required or expected.

HOW DOES THE FACULTY & STAFF APPRECIATION PROGRAM WORK?

In lieu of direct individual gifts to teachers, we pool the contributions so that we can give each faculty and staff member an equal number of gift cards. Our goal is to give every staff and faculty member four \$25 gift cards (selected from a provided list of stores). All gifts are anonymous, and contributions of any amount are welcome! Contributions beyond this goal provide for teacher and staff meals and treats throughout the year, as well as during National Teacher Appreciation Week in May. The gifts you make now fund teacher and staff appreciation efforts for the entire year!

HOW CAN I PARTICIPATE?

You can contribute using a credit card by visiting www.waldenschool.net/store. To pay by check, or to charge your contribution to your family's Walden account, complete the form below and turn it in at the main door on San Gabriel.

PLEASE TURN IN FORMS PRIOR TO DECEMBER 13, 2024

I WOULD LIKE TO CONTRIBUTE TO THE Holiday Gift Card Program / Faculty and Staff Appreciation

PRINT NAME: _____

I am paying by check (Please make your check out to Walden School and turn it in with this form)

Please add my charge to my next Walden Statement
