REGULAR MEETING
September 16, 2013

- Members Present: Stephen Gessner, Linda Eklund, Marilynn Pysher, Thomas Graffagnino, Mark Kanarvogel, Alfred Brigham, Sr. and Elizabeth Melichar.
- Others Present: Dr. Michael Hynes, Superintendent; Jennifer Rylott, Academic Administrator; Jacqueline Dunning, District Clerk; Deborah Vecchio, District Treasurer; Julie Lane, Shelter Island Reporter; 12 faculty/staff/student and 16 community residents
- Members Absent: Kathleen Minder, Business Manager; Charles Binder, Student Liaison

The meeting was called to order at 6:21 pm by President Gessner.

A motion was made by Mark Kanarvogel, seconded by Thomas Graffagnino, BE IT RESOLVED THAT: The Board of Education voted to go into an executive session at 6:22 pm to discuss the employment of a particular individual(s) in the district pursuant to Section 105(f) of the Public Officers Law.

Motion carried unanimously.

The Board came out of executive session at 7:00 pm and started the meeting followed by the Pledge of Allegiance.

Elizabeth Melichar read the following Shelter Island School Mission Statement – Engage, Explore, Empower:

We want our students to cherish our small Island community while applying expanding their learning about, understanding of, and engagement with the wider world. To do this, they must be: ethical and moral individuals; respectful and responsible communicators; creative and analytical thinkers; knowledgeable and literate readers, writers, mathematicians and scientists; participants in and audiences for art, drama, music, athletics, and other artistic, cultural, and social activities; skilled and successful workers and consumers; and committed and active citizens.

Visitor Comments

As there was a large group of people in attendance who wanted to speak about the school mascot, Dr. Gessner agreed to move the visitor comments to the beginning of the meeting.

Community members, William Hallman, Judith Card, John Hallman, Judy Sherman, Jay Card and Rebecca Mundy, each spoke separately about keeping the name, "Shelter Island Indians". Each speaker touched on how they believe the term "Indians" has never been used in a racist or disrespectful manner, but instead has been used with great pride. Ms. Card, a proud American Indian herself, also suggested that it might be helpful if we changed the term "mascot" to "icon", which means "symbol".

Stephen Gessner thanked everyone for their comments. He explained that just because the Board allowed a student to speak about her feelings about the mascot, didn't automatically mean the Board was considering the change. The Board is always open to the ideas and opinions of community members, but again, that doesn't necessarily mean the Board is going to act on those ideas/opinion. Dr. Gessner closed by stating that the Shelter Island Board of Education is not proposing to change the Shelter Island Indians.

Linda Eklund stated that she was glad a distinction has been made between "mascot" and "icon". Ms. Eklund believes the term Indian is a tribute to the people who were originally here and as a

school, we've always depicted that respectfully. Ms. Eklund closed by saying that she never expected this to go beyond a student speaking her mind to the Board.

Elizabeth Melichar praised Lisa Kaasik for having the strength and conviction to stand up and speak about what she believes in. Ms. Melichar also gave credit to Ms. Kaasik's teachers through the years, who each had a part in helping her to develop such conviction and present it so respectfully. Ms. Melichar also stressed how important it is that our history classes keep the heritage of Shelter Island alive.

Marilynn Pyscher shared that she had read Ms. Kaasik's article about the school mascot, in the Inlet, the school newspaper. Ms. Pyscher believes everyone deserves a voice and deserves to be heard. She thought it would be a good opportunity for Ms. Kaasik to present her opinions in a safe forum and that is why she encouraged her to speak at a Board meeting.

Alfred Brigham, Sr. shared that he thinks we should stop using the term "mascot" and then everything will be fine.

In the end, everyone agreed that this was a teachable moment.

On a different topic, John Hallman asked the current Board members if they were considering going down to a five person board. Thomas Graffagnino explained that this is something the Board has discussed many times. Such a change would have to go out to the community for a vote. The concern of going down to only five members is whether or not there would be a quorum at meetings. Stephen Gessner also explained that there are so many mandated committees, it could be too much of a commitment for only five people to share. Linda Eklund shared the same sentiment.

At this time, 7:29 pm, since most of the public was attending the meeting for the sole purpose of the Shelter Island Indians topic, Dr. Gessner invited the public to leave, if they wished. Most of the audience departed. As they were departing, Cynthia Belt arrived, having just finished coaching the Varsity Girls' Volleyball team.

Motion carried unanimously

As the discussion about the Shelter Island School Mascot had been moved to the beginning of the meeting, at this point, Dr. Gessner gave Cynthia Belt the opportunity to weigh-in on the discussion. Ms. Belt stated that she has a relative of American Indian descent who feels strongly that the use of an ethnicity as a mascot is inappropriate. Ms. Belt also shared with the Board that she hoped they would facilitate a civil debate in order to reach a resolution. As she missed the conversation that took place earlier, Mark Kanarvogel suggested to Ms. Belt that she watch Channel 22 to see the discussion. Thomas Graffagnino shared with Ms. Belt that part of the discussion involved removing the "mascot" tag and referring to it as an "icon" instead. Dr. Gessner stated that he thinks it makes sense to continue to discuss the topic in history classes. When Ms. Belt asked if there would be a vote to change the mascot at this time, Dr. Gessner stated there would not be a vote.

Old Business

Mark Kanarvogel suggested that key people in the district who use their personal cell phones for work calls, emails, texts, etc. should receive a stipend to offset the cost of the phones. Linda Eklund stated that most cell phone plans today are "unlimited" and this extra use of personal devices does not cost the employee anything extra. Dr. Gessner stated that if this was something the Board was interested in doing, it would have to be negotiated in the future with each individual. Dr. Hynes asked to weigh in. While he appreciated Mr. Kanarvogel's sentiment, he would rather not see this happen because if the district pays any portion of a cell phone, anything on that phone can be FOIL'd, personal data included.

Elizabeth Melichar raised the point that other districts pay substitutes a higher rate if they are in a continued assignment for a longer amount of time and thought perhaps our district should do the same. Dr. Hynes agreed that he would gather information from other districts in order to determine if this is something our district should do.

Kate Davidson, a parent in the district asked if the Board would consider installing a fence along the south side of the softball field to help keep children out of the wooded area.

Rebecca Mundy, a parent in the district, as well as a member of the Booster Club Committee, asked the Board of Education what the intention was for the Booster Club. Ms. Mundy has heard from others in the community that the Booster Club funds will cover the cost of sports programs that the Board may choose to cut and wanted clarification. Mark Kanarvogel stated that while other schools might have individual booster clubs for sports and music/arts, he believes our booster club will encompass all. Linda Eklund responded by stating that it has never been a consideration for the booster club to cover the cost to purchase something the district is responsible for purchasing. Thomas Graffagnino stated that it is important to clarify this now so that ten years from now, it's clear. Ms. Mundy then asked when parents and community members will be brought into the conversation about the booster club. Linda Eklund explained that the committee needs to determine a framework before opening it up to the public. Mr. Graffagnino stated that the next booster club meeting will answer a lot of questions. Dr. Hynes stated that he believes the next booster club meeting is extremely important to determine which direction the club will head in.

Ms. Libby Liszanckie, Shelter Island School Student, asked the Board and Dr. Hynes if Cheerleading was cut for this year. Dr. Hynes assured Ms. Liszanckie that it has not been cut, the position for Cheerleading Coach just hasn't been posted yet.
