

Antelope High School
School Site Council Meeting/ Schoolwide Title 1 SAC
November 18, 2024
6pm-7pm, zoom

Core Values:

1. Students are the center of every decision and action we make. Every student deserves our best.
2. We recognize and celebrate the unique and diverse people on this campus.
3. We work together to serve students, our community, and each other.
4. We work hard, and we celebrate our successes. We have FUN.

Mission:

“Increase the academic achievement of every student.”

Members Present: Dustin Thompson, Dana Duncan, Marc Martin, Sandeep Pannu, Lindsey Cutts, Robb Robertson, Megan Buckley, Brit Pearson, Val DeLorge, Gwen Trushkov

Zoom Link: <https://rjuhsd-us.zoom.us/j/99524379852>

4. Approval of Minutes (Cutts)
 - Mr. Martin motion
 - Ms. Duncan second
5. Old Business
6. New Business
 - Feedback on Site Safety Plan

[Link 1](#)

[Link 2](#)

[Link 3](#)

** Updating personnel (APs and School Psychs)

** Communicate custodial schedules and check in on vacuum

** Define acronyms (glossary? Or as they are used?)

7. SPSA Development

- [Data Review](#) (CAASPP)

** test scores down across the board

** test apathy- not connected, doesn't seem important to students. Need to make sure they know the importance

** have other districts seen the same year to year trend

** it is a gut punch, but we know that our students are more than just one number. Our students excel in many ways that aren't reflected here

** COVID effect

** Can we work closer with our feeder schools to strengthen the relationship and expectations when they get to us

** Science- a gradual decline, doesn't seem as extreme as math and English

** Are these scores "the new normal"? Or are we going to see them increase as the "COVID effect" isn't as recent?

** How are science scores affected by students not taking chemistry? Or students who haven't passed biology and physics?

** textbooks/curriculum and teacher preparedness (does new curriculum affect these scores)

** all groups are "equitably low"

** math- we are doing a lot to increase, but won't see it in CAASPP for several years (only test as juniors).

** SPSA actions are aligned

** focus on learning the content

** How many students have passed IM2 at the end of their sophomore year/passed IM3 fall semester of junior year

** different CR model

8. Material and Course Feedback (Cutts)
