RISING SOPHOMORE SCHEDULING REQUEST FORM

The selection of an Early Bird (EB) course does not guarantee that a student will receive an EB course. EB courses start at 7:00 am and students must have their own transportation both to school **and after school if they select an early release (1:55).*

*Below is a **sample** of a typical sophomore year schedule. Student schedules will vary based upon several factors such as: individual student credits, progress towards graduation requirements, and the specific academic needs of students.*
