⁽¹⁾ Selecting an Early Bird (EB) course does not guarantee placement in one due to scheduling or availability constraints. EB courses begin at 7:00 AM, and students must arrange their own transportation to school in the morning and home after school if they select an early release (1:55 PM).

To participate in any OTHS-sponsored or supported athletic, co-curricular, or extracurricular activities, including National Honor Society, students must be enrolled in and passing at least five (5) GPA-eligible academic classes each week.

I have gone over my course selections and high school plans with my parents/guardians and wish to enroll in the classes listed above. If I need to make a change in requests, I may do so before the first day of school in August 2025.
