

GET INVOLVED!

Help newcomers thrive in Turlock!

What does the IRC do?

With support from people like you, we walk alongside our newest neighbors as they rebuild their lives, helping them become self-reliant and build the foundation for a flourishing life in the U.S.

Who does the IRC serve?

We support people who were forcibly displaced due to conflict, violence, and persecution, including refugees, asylum seekers, victims of human trafficking, survivors of torture, and other immigrants.

3 WAYS TO HELP

DONATE

The biggest challenge for newcomers in Northern California is the cost of housing. You can prevent families in extreme hardship from facing eviction and homelessness by making a donation at [Rescue.org/SoftLandingFund](https://www.rescue.org/SoftLandingFund).

VOLUNTEER/INTERN

Volunteers and interns are critical in helping refugees navigate their new communities. Work directly with those we serve as a mentor, tutor, or interpreter, or help set up housing, deliver donations, or provide administrative support.

COLLECT SUPPLIES

Furnishing and stocking hundreds of apartments each year is no small feat! Rally your friends, family, or community group to collect household goods and other items to ensure recently arrived families have the things they need.
