

# High School Boundary Committee Meeting Agenda

Starting December 2, 2024

## Meeting Objective:

To discuss, evaluate, and make recommendations regarding the adjustment of high school boundaries in the district.

### 1. Welcome & Introductions

- Committee members introduce themselves.
- Overview of the meeting objectives and the process. Review meeting Norms.

### 2. Overview of Current Boundary Situation

- Presentation by district officials or planning team on the current high school boundaries.
- Data overview: current enrollment numbers, projected growth, and demographic shifts.
- Challenges with the current boundary system (e.g., overcrowding, inequities, etc.).

### 3. Review of Proposed Boundary Adjustments

- Discussion of key factors: student population, transportation logistics, facility capacities, socio-economic diversity, and community feedback.
- Preliminary thoughts from committee members on proposed adjustments.
- Discuss possible boundary scenarios and changes.

### 4. Data-Driven Insights

- Review of demographic studies (GIS) and future projections.
- Consideration of any relevant academic, socio-economic, or extracurricular impacts on boundary changes.

## **5. Committee Discussion**

- Open floor discussion on boundary options and considerations.
- Committee members share perspectives, priorities, and concerns.
- Consideration of potential compromises and adjustments.
- Discussion on the impact of changes on high school diversity, access to resources, and community cohesion.

## **6. Review of Timeline & Next Steps**

- Overview of the boundary review timeline, including community engagement, board approvals, and implementation.
- Discussion of future meetings and additional information needed.

## **7. Closing Remarks & Adjournment**

- Summarize key takeaways and next steps.
- Adjourn the meeting.
