NOTICE TO CONTRACTORS

CALLING FOR CALENDAR YEAR 2024 PRE-QUALIFICATION APPLICATIONS FOR VISALIA UNIFIED SCHOOL DISTRICT

It is **mandatory** that all General Contractors and Mechanical, Electrical & Plumbing Subcontractors who intend to submit a bid on projects over \$1,000,000.00 dollars, lease-leaseback, and design-build, fully complete the pre-qualification questionnaire, provide all materials requested herein, and be approved by the District to be on the final qualified Bidders list.

The District is getting ready for a very busy 2025 bidding season, with bid dates potentially starting as early as January 1, 2025.

****The District will establish an approved group of contractors through the annual prequalification process, covering their eligibility for the entire year. Prequalification will no longer be available on a project by project basis, unless the district considers it necessary to initiate prequalification for a specific specialized scope of work.****

The eligibility of our prequalified contractors from 2024 will extend until the end of January 2025 with expiration set for January 31, 2025. Pre-qualification packets must be received by the district on or before January 31, 2025. An official list of approved contractors is anticipated to be finalized in February 2025 and will remain valid until December 31, 2025.

The updated Pre-Qualification Procedures and Application are now available on the VUSD website at <https://www.vusd.org/departments/operations-services/facilities/contractor-prequalification> . Original copies must be submitted to the District Office.

Respectfully,
Steven Pena

Director, Operations Services

I BELIEVE IN, I BELONG IN... I AM VUSD.
