Re: Sweet Home CSD Capital Outlay Project 2024/25 - Award of Construction Contract
High School: SED# 14-02-07-06-0-008-013

Dear Dr. Ginestre,

On behalf of the Sweet Home Central School District, Young + Wright Architectural (YWA) has received proposals for the Sweet Home CSD Capital Outlay Project 24/25.

Based on the District's decision, Young + Wright Architectural conducted interviews with the contractors. Based upon these meetings we find no basis to disqualify the District's preferred contractor. The base bid listed below do not exceed the anticipated budget. At this time, it is Young + Wright Architectural's recommendation to accept the following:

• <u>General Trades Contract:</u> Kelly Brothers, LLC Base Bid – Door, Frame and Hardware Replacements	\$29,826.44
Toth's Sports Base Bid – Double Sided Electronic Message Sign	\$69,975.00
Total	\$99,801.44

At this time, it is our recommendation that the Board of Education accepts the contractor indicated above and authorizes us to prepare and send a "Notice to Proceed" to Kelly Brothers LLC and Toth's Sports for the "Final Contract" amount listed. This will allow the contractor to start work immediately while the contract and other paperwork are being processed.

Please contact us with any questions or concerns.

Sincerely,

Matthew Cummings- Associate
