WMS PARENT NEWS

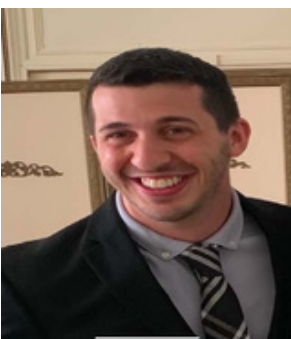

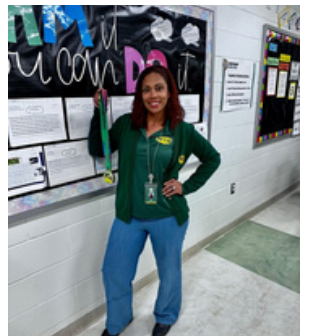

Hello and welcome to Westbury Middle School's Parent & Family Newsletter! Please stay subscribed to this newsletter for important information throughout the school year. We look forward to seeing you at our Winter Concert on December 9 and December 17 at 6PM!

Educators of the Week

Ms. Karen Dolsky steals the SPOTLIGHT this week as she continues to exemplify excellence in the classroom through her effective modeling and dedication to scholar success. Her lessons are thoughtfully structured, with clear and engaging demonstrations that set scholars up for success. During the work periods she facilitates, scholars are immersed in productive, meaningful tasks that deepen their understanding of math concepts. Ms. Dolsky's commitment to Academic Monitoring is extraordinary. She provides targeted, actionable feedback, ensuring scholars are consistently supported and challenged. Her classroom environment is a reflection of her meticulous approach—neat, organized, and designed to inspire focus and achievement. What sets Ms. Dolsky apart is her reflective and poised demeanor. She brings a rigorous approach to teaching that motivates scholars to rise to high expectations, pushing them toward greatness every day. We are proud to have such a dedicated and inspiring educator at the Middle School. Thank you, Ms. Dolsky!

Ms. Smith is an exceptional example of dedication and passion in education. Known for her vibrant energy and creative ideas, she brings a positive and motivating atmosphere to every lesson, creating an environment where scholars feel empowered and encouraged. Recently, she completed her first marathon, and her medal, proudly featured in the photo, symbolizes her determination and perseverance. In addition to her enthusiasm for teaching, her collaborative nature truly stands out—she consistently exhibits exemplary leadership by supporting and mentoring her colleagues. Whether leading a team discussion or sharing innovative strategies, she fosters a spirit of collaboration that elevates everyone around her. Her ability to connect with both her scholars and peers has a profound impact, inspiring growth and excellence in all she touches. We're incredibly fortunate to have her as part of our team!

This week, we are thrilled to shine a spotlight on the incredible Mr. Abad, a passionate and dynamic science teacher who brings boundless energy and enthusiasm to his classroom every single day. Known for his innovative and engaging teaching style, Mr. Abad inspires curiosity and a love for science in all of his scholars. One shining example of his creativity is the recent Acorn Lab, where scholars explored the wonders of nature through a hands-on experiment that had everyone going nuts (pun absolutely intended!). Whether it's dissecting the mysteries of biology, conducting interactive experiments, sparking lively discussions, or Easing on Down the Road, Mr. Abad consistently goes above and beyond to make science come alive for his scholars and create lasting memories in our school. His dedication to fostering a love of learning and encouraging scholars to think critically and explore the world around them is truly remarkable. Thank you, Mr. Abad, We see you as a model educator.
