Presentation

Mr. John Reardon presented an update regarding the Senior Class trip. He reported that parent volunteers will drive the students and chaperones to/from the airport. He also clarified the itinerary for the first day of the trip. Mr. Reardon ended his presentation by assuring the Board of Education and Dr. Hynes that the "Grad Night" event is a good balance of enticing and safe and is completely regulated by Universal Studios – they even have a dress code for the event. Board of Education Members questioned the ratio of students and chaperones based on District policy. Originally, Mr. Reardon had stated there would be three adult chaperones, but has agreed that he and Ms. Doroski will seek an additional chaperone for a total of 4 adults.

This presentation gave an overview of what Dr. Hynes did in his first year as Superintendent, what he is currently doing and what he plans to do within the next five years to help our students be better prepared for college and life.

Dr. Michael Hynes asked the members of the Board of Education for their thoughts regarding a Booster Club. He stated that such a club would enable the District to do some things the District really can't do right now. He added that it is a great way to bring people into the school community. Ms. Elizabeth Melichar and Mr. Mark Kanarvogel both stated that many community members have tried to get this started in the past. Dr. Stephen Gessner mentioned that he recalls in the past someone in the Business Office had concerns about such a club. Ms. Jennifer Rylott reported about Regional Scoring of the New York State English Language Arts and Math Exams. She pointed out that for the past few years, we scored locally with Southold, but due to changes in the Common Core Standards and the tests themselves, we will regionally core in Central Islip. This will give teachers an opportunity to meet with other teachers and discuss the changes in the Common Core Standards. Ms. Rylott also reported that the NYSESLATs (the English as a Second Language Exam) will also be scored regionally.		
Superintendent's Report		<i>Superintendent's Report</i>
Dr. Hynes announced that it has been many, many years since we had a school newspaper and he's very excited about our new paper – the Inlet. He thanked Ms. Devon Treharne, our Journalism teacher for all of the hard work she and her class put into the paper. He also thanked the Shelter Island Report for assisting Ms. Treharne. Dr. Hynes stated that we can expect another two or three issues of the paper before the end of the school year.		
Dr. Hynes reported that Mr. Mark Palios conducted a post-graduate survey to find out what helped students get ready for college and what could we do to help better prepare students in the future. Mr. Palios will present his findings at the February 11, 2013 meeting. In addition to Mr. Palios' presentation, Mr. Daniel Williams, along with his Intel students will speak about what they have worked on so far this year and what their plans are for the rest of the year.		
Dr. Hynes spoke about security. He mentioned that it is important to make our building safe and secure, yet still inviting to the community. For the short term, the Building Safety Plan has been updated. There will only be one entry point into the school – the lobby doors. All other doors will be locked at all times. Dr. Hynes went on to say how the hours of 8:00 am – 3:00 pm are sacred learning/teaching time. Therefore, appointments must be made in order for anyone to gain entry beyond the lobby during the school day. A new dismissal procedure for Elementary students has also been implemented. A letter outlining all of the changes was mailed home. Dr. Hynes also noted that there had been an announced lockdown drill last week. Everyone followed protocol very well. In the future there will be unannounced lockdown drills. Some of the long-term measures will include a buzz-in system at the lobby doors, cameras outside that can be viewed from multiple locations in the building, an updated alarm system and an updated key card system.
