[Create Account | Federal Student Aid](#)
- **Please take note that Western Technology Center does not participate in the federal loan program. Approval of financial aid includes grants only.**
- **Important:** The U.S. Department of Education requires that consent be given to retrieve and disclose Federal Tax Information. If you do not give permission, your application will be denied. This consent will transfer your income tax information to the FAFSA. There will also be a section of questions that you will be asked to enter manually from your taxes. NOTE: If you did not file taxes in 2023 you must still give consent to this question.
- **Western Technology Center Federal School Code: 010762**
This code is to be used for all WTC campuses, but it will indicate the Burns Flat address when you add it to your application.
- If your application is selected for verification by the U.S. Department of Education, you will be required to provide the requested information that will verify the accuracy of your FAFSA.

If you have questions or would like to come in for assistance in completing your FAFSA please don't hesitate to contact this office. We would be happy to assist you.
