2	<i>Instructions: If the Annual Financial Report (AFR) reflects that a Deficit Reduction Plan is required as calculated below, then the school district is to complete the Deficit Reduction Plan in the annual budget and submit the plan to Illinois State Board of Education (ISBE) within 30 days after accepting the audit report. This may require the FY2025 annual budget to be amended to include a Deficit Reduction Plan and narrative.</i>					
3	The "Deficit Reduction Plan" is developed using ISBE guidelines and is included in the School District Budget Form 50-36, beginning with page 22. A plan is required when the operating funds listed below result in direct revenues (cell F8) being less than direct expenditures (cell F9) by an amount equal to or greater than one-third (1/3) of the ending fund balance (cell F11). That is, if the ending fund balance is less than three times the deficit spending, the district must adopt and submit an original budget/amended budget with ISBE that provides a "deficit reduction plan" to balance the shortfall within the next three years.					
4	- If the FY 2025 school district budget already requires a Deficit Reduction Plan, and one was submitted, an updated (amended) budget is not required.					
5	- If the Annual Financial Report requires a deficit reduction plan even though the FY2025 budget does not, a completed deficit reduction plan is still required.

Lisle, Illinois

We have audited the basic financial statements of Lisle Community Unit School District No. 202 (the District) as of and for the year ended June 30, 2024, and have issued our report thereon, dated November 11, 2024, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. We have not performed any procedures with respect to the audited financial statements subsequent to November 11, 2024.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information, except for the financial profile information, estimated financial profile summary, supplementary schedules, statistical section, estimate indirect cost rate for federal programs, report on shared service or outsourcing, administrative cost worksheet, and itemization schedule, as listed in the table of contents, which were not audited, and on which we express no opinion, has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information, except for those portions identified above as not audited, is fairly stated in all material respects in relation to the basic financial statements as a whole.

The answers to questions 1 through 25 contained in the "Auditor's Questionnaire" on page 2 are based solely on the procedures performed and data obtained during our audit of the basic financial statements of the District as of and for the year ended June 30, 2024.
