ABOUT UT ONRAMPS

DID YOU KNOW?

After completing a UT OnRamps course, students can choose whether to accept the college credit? If they do, it will count toward their college GPA when they enroll in the future.

GUESS WHAT?

OnRamps is taught by high school teachers in collaboration with **University of Texas in Austin** professors. There is **NO TSI Requirement**. Students can earn high school credit and have the potential to **earn college credit** if they qualify for and pass the college portion of the course. The college credit can be accepted at public universities and most private universities. It is **open to students** who show high achievement but wish to experience a college-level course, and are **motivated to work** outside of the school day.

INTERESTING FACTS

ABOUT ADVANCED PLACEMENT

All advanced placement courses are taught by a high school teacher and they do not require the TSI. Open for all high school students. A score of 3 or higher on the AP exam can earn college credit awarded by the colleges/universities. Students can take their AP exams in May and the cost is covered by Crowley ISD.

DID YOU KNOW?

Students are expected to have skills and knowledge from prior Pre-AP courses and be motivated to work outside the school day on college level material.
