

Bedford Central Comprehensive Special Education Review

Phase 2: Data Collection

Task	Update
Student IEP file review	Complete
Surveys	Complete
Round 2 data/document request	After a review of the data and documents provided by the District, PCG provided a second round of data and document requests to the BCSD Leadership Team. We identified additional documents needed to address the questions and items listed in the agreed upon scope. The PCG team has received the majority of these additional requests but is waiting on final items including fiscal data and data on post-high school pathways. We anticipate having all data needed in the next few weeks.

Phase 3: Findings Development and Draft Report

Task	Update
PCG writing and analysis	PCG has completed the review of IEP files and continues to analyze the data. The team has begun to write the report and will be producing a draft report for the BCSD Leadership Team by January 31st, 2025.
District review report (1st draft) & report revisions	Outstanding
District review report (2nd draft) & report revisions	Outstanding

The team is currently in Phase 3.

Currently, the PCG team is triangulating qualitative and quantitative data collected from the District, IEP Review, focus groups, and on-site visits. The team is underway with drafting the report, which will be ready for BCSD Leadership by January 31st, 2025. A final report will be ready in February 2025.

During upcoming weekly check-ins with BCSD Leadership and PCG, the team will confirm the receipt of all data and documents and check-in on the status of the project. However, since the PCG team is starting to write, upcoming meetings may be canceled due to an absence of discussion items.
