

Great falls Public School Invites the public to come preview K-12 Math Resources that are being considered for possible purchase. Feedback from teachers and community members is a valuable part of every new textbook adoption process. The math materials are available to view at the district office building located at 1100 4th street south. The books will be available for viewing in the evergreen room from 3:30-5:30 pm Monday-Friday United December 17th.
