

FLEX and SENIOR LOUNGE CONTRACT

This form must be completed by any student who is requesting either a Flex or Senior Lounge in their schedule next year. Both of these options are considered a privilege and students must apply and be approved by administration to qualify for this to potentially be added to a student's schedule.

All applications will be reviewed by SHS administration for approval and can be denied due to the concerns listed below. Even if a student is initially granted permission to put these requests in their schedule, they can be removed if issues arise per the student handbook, *"These incentives may be revoked when a student is not passing a class or has ANY disciplinary consequence, including tardies."* If a student is not granted permission or loses the privilege during a semester, a study hall will be put into their schedule instead.

Issues that may disqualify a student from the privilege of signing up or continuing to have a FLEX or SENIOR LOUNGE:

1. Behavior referrals.
2. Attendance concerns such as frequent tardiness, unexcused absences, or chronic absences from school.
3. Failing grades.

Juniors are only allowed to take a FLEX if they are enrolled in at least 6 classes and don't also have a study hall. Seniors can request a FLEX and study hall/senior lounge but must be enrolled in 5 classes.

I UNDERSTAND AND AGREE WITH THE STIPULATIONS STATED ABOVE:

Date _____ Student I.D. _____

This form must be returned by the student with their course selection forms to the School Counseling Office by Friday, January 24, 2025. If a form is not returned by this time, their request for FLEX or SENIOR LOUNGE will be changed to a study hall.

Office Use Only:

- Student is approved to take the Flex 1 /10 or Senior Lounge as requested in the course selection sheet.
- Student is denied permission to take a Flex 1/10 or Senior Lounge. A study hall will replace this request.
