

# CODING MIND SEATTLE

Coding  
Mind

Founded in 2016 by U.S. computer science professors, Coding Mind empowers K-12 students with **coding** and **AI skills**, enhancing **problem-solving** and **entrepreneurial thinking**.

Our curriculum emphasizes interdisciplinary learning through CS + X and AI + X tracks, including CS + Finance, CS + Entrepreneurship, AI + Arts, and CS + Game Development.

For more information, please visit our web: <https://codingmind.com/seattle/>

## SIGN YOUR KID UP FOR OUR CODING CLASS at CHA

The Coding Mind Roblox Class for Grades 2-5 introduces students to programming and game development using Lua and Roblox Studio. Held on Fridays from 3:45 to 4:45 PM (excluding **school holidays** at **1/24**, **1/31**, **2/21**), the class teaches scripting basics, 3D game design, and how to create interactive experiences in a real-world programming environment. Laptops will be provided for use during the class. For more details, visit:

**Course introduction: Roblox Studio**
