

I extend my appreciation to all girls who tried out for this year's CMS 6th grade girls basketball team.

As I explained to the girls, 10 rostered players will play our main Salinas Rec league schedule. This is a cap that's put on teams in the league.

I am offering spots to all girls for the full roster. All team members can play in additional games we will add to the schedule.

All girls who accept spots on the roster are expected to attend practices like all other team members, including those who will not be playing in Salinas.

The game schedules are TBD.

Practices are Tuesday 3:30-5:00 and Thursday 2:30-4:00.

First practice will be Thursday, Dec 12th.

I will have a parents meeting after our first practice to give more information on the season.
