Dear Employee,

Our goal at U.S. OMNI & TSACG Compliance Services is to make your life easier by ensuring your employer's supplemental retirement plan is administered properly and by ensuring that you have the resources you need to take full advantage of the opportunity to participate.

Your employer has placed the administration of their plan(s) in our hands, and this is not a responsibility we take lightly. It is our promise to you that no matter where you are at in life - actively working, nearing retirement, or retired - we will dedicate the time and effort to simplify how you access your account and manage your contributions.

This Plan Participation Guide was developed to provide resource information, but as you dive deeper into the management of your retirement accounts, you may find that you still have questions. Don't worry. We are here to help. Our Customer Service Representatives are available to assist with distribution submission and approval questions as well as salary reduction agreement submission questions. The contact information for our teams can be found later in this document.

Welcome to your benefits plan. We are happy you are here.

Sincerely,

# Getting Started

An introduction to your plan.

## Understanding Your Plan

A 403(b) or 457(b) plan allows you to save for retirement on a tax-deferred basis. Your contributions are voluntary, and you can choose the amount based on your retirement goals. For more specific information on your employer's plan design, please reference the **Universal Availability** notice, which can be accessed by searching for your employer forms and information at <https://www.omni403b.com>.

## Why Wait?

Simply put, waiting could cost you. You might ask: What difference could ten years make? Let's say you wanted to build a \$500,000 nest egg to help bridge the gap of your current retirement savings plan. If you start at age 25, you will need to contribute at least \$1,500 annually to a plan earning 10% in order to meet your goal; however, if you were to wait ten years to start, you will need to contribute at least \$4,400 annually to earn the same amount. The earlier you start, the more potential earnings you can enjoy later in life.

## Online Resources

Once enrolled in the plan, you have 24/7 access to a variety of educational tools and plan resources online. Available in the EMPLOYEE or EMPLOYER sections at <https://www.omni403b.com>, your online access allows you to obtain plan information, access our Financial Wellness modules, view the plan's authorized investment providers, and so much more.

## Submitting Distributions

Within just a few minutes, distribution requests can be submitted and approved using our Online Distribution System. This online system allows participants and advisors alike to gain immediate approval certification for eligible distributions. Further, all distribution requests may be submitted in this manner -- even those that require supporting documentation. U.S. OMNI & TSACG Compliance Services' Online Distribution System can be found through the TRANSACTION FORMS link under the EMPLOYEE menu at <https://www.omni403b.com>, and is available 24/7. For more information on submitting distributions, please visit our website.

## Pick Your Investment Provider
