

Parent-Student-School Compact 2024-2025

MISD SCHOOL-PARENT COMPACT

The Title 1 Schoolwide Program is committed to building a partnership with students, parents, and teachers to help children achieve the state's high educational standards. Title 1 requires each parent to sign a Parent Compact to help build the relationship between parent, teacher and student. Please take the time to review this compact with your child and return to school as soon as possible. At T. E. Baxter, we have the STARS and COMETS programs to supplement our reading and math for students that are at risk of failing the state assessments.

As a Parent/Guardian Leader, I agree to:

- Practice Math Facts and/or Reading with my child for **fifteen minutes a day**
- Attending at least **one** parent/teacher conference
- Participate in parent education activities (at least **one** of all offered during the year)
- **Ensure daily school attendance**

As a Student Leader, I agree to:

- Actively participate in all aspects of the program
- Become a responsible learner
- Maintain good attendance

As a School, we agree to:

- Provide a **coordinated program** which addresses the specific needs of each identified student
- Allowing students to experience **success** through the use of various instructional approaches, groupings and settings
- Provide **supplementary** instruction in reading and math
- Maintain **communication** on an ongoing basis through student progress reports and parent contact/conferences

****By filling out this [Google Form](#) you will agree to the above compact****
