

# CAMP HILL SCHOOL DISTRICT

Educational Excellence • Community Strength • Student Success

Greetings Camp Hill Community,

Thank you all for your support and contributions to a great opening to school year 2024-2025. The preparation that went into the start of this school year was extensive and is leading to another highly successful year for our students. As we move into the second marking period, we continue to focus on our mission. We remain steadfast in our commitment to providing all students with foundational skills, knowledge, and opportunities for lifelong success. Our students, faculty, and staff are actively engaged in our classrooms, athletic fields, and performing arts venues. The School District remains focused on the physical and emotional safety and well-being of our students and staff. As the school year continues, safety and security will continue to be a top priority. Our continuous improvement initiatives include physical security upgrades, increasing school-based counseling, enhanced communications, and valuable partnerships with Camp Hill Police and County-wide security entities, among others.

It was an incredible experience for the District to be involved with the 50+ Year Camp Hill High School reunion luncheon and festivities. This event took place on Friday, October 4th with a luncheon, student-led tours of the High School, and a trolley ride in the homecoming parade to the football game. There were over 150 alumni in attendance and it was a memorable event for all! Our thanks to The Lion Foundation, the reunion committee, and to Greg and Susan Sutliff for their sponsorship of the event!

As we enter the cooler months of the 2024-2025 school year, we look forward to our continued partnerships in the community and thank you for your continued support of our amazing students and staff.

Respectfully,

Dan Serfass, Superintendent  
Camp Hill School District
