

2024-2025 NYS Testing Program Registration Selecting your Lead Scoring Entity

The [NYS Online Examination Request System](#) is now OPEN for entry of Grades 3-8 test requests, and closes on November 8, 2024. For instructions on submitting online requests for these tests, visit [this link](#).

The Exam Request process requires districts to identify their “Lead Scoring Entity”.

If your district has chosen to score the NYS Assessments (Constructed Response and Multiple Choice questions) through ESBOCES – *Assessment Services* and *Student Data Services* – your district must select the following:

- Select the *type* of Lead Scoring Entity as “**Scoring Vendor**”.
- Select the *name* of your Lead Scoring Entity as “**Optimum Solutions Corporation (OSC World)**”.

Lead Scoring Entity (For Operational Computer-Based Testing Only)

To participate in operational computer-based testing (CBT), schools must arrange for their computer-entered constructed responses to be scored by a Scoring Consortia. If the Lead Scoring Entity selected doesn't have a Scoring Director Name and Scoring Director E-mail Address associated with it, NYSED staff will reach out to the Lead Scoring Entity to obtain the contact information. Schools may select a different Lead Scoring Entity for English Language Arts and Mathematics.

For those schools that administered operational CBT last year, their Lead Scoring Entity and Scoring Director Name and Scoring Director E-mail Address will be pre-populated. Schools must check the Lead Scoring Entity listed for them and change as needed.
