MUSD: Your skills. Our schools. A perfect match.

Dear MUSD Parents,

We know your secret: you're superheroes! You juggle schedules, pack lunches, and cheer louder than anyone at the game. What if we told you there's a way to bring that magic to our team?

MUSD has a place for every talent, every skill set, and every passion.

- Morning person who loves the open road? - Hello bus drivers!
- Whiz in the kitchen? - Child Nutrition Pros, we see you!
- And for those with a knack for shaping young minds or offering a listening ear, our specialized positions – from Special Education Teachers to School Psychologists – are calling your name.

✦ **Why MUSD?**

- Competitive pay (because heroes deserve rewards).
- Schedules that align with your child's school calendar.
- A chance to impact your community from the ground up.

Sound good? Visit us at mUSD20.org/jobs to see the openings.

Heroes don't just save the day, they shape the future.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman, Superintendent
Maricopa Unified School District
