Subd. 3. Notwithstanding any other provisions of this contract, any retiree, or spouse of a retiree covered by a district insurance plan, upon reaching eligibility for Medicare entitlement, shall be obligated to enroll in Medicare Parts A and B. When eligibility for Medicare entitlement is reached, the District's continued commitment shall be limited to the lesser of, a contribution toward the premium of a Medicare Supplemental plan of insurance for the retiree and/or the retiree's spouse, or the contribution of one hundred percent (100%) of the amount in effect for retired employees as stated in Subd. 2, School District Premium Contribution.

Any difference between the cost of the insurance elected by the retiree and the contribution of the District shall be paid by the retiree.

Subd. 4. Employees not eligible under Subd. 1 above and who retire under the provisions of PERA with ten (10) or more years of years of service shall be eligible to continue participation in the school district group medical insurance plan, if permitted by the terms of the policy with the insurance carrier, at the employee's expense until the date eligible for Medicare.

Section 4. PLAN Benefits for Employees Hired On or After July 1, 2000

Subd. 1. Purpose of PLAN: The purpose of the PLAN is to encourage employees to develop a financial plan for their future by providing money, which would otherwise have been available at retirement, for investment during the course of their employment with the District. The PLAN will require participation by the employee coupled with a matching contribution from the District. The objective of the PLAN is to develop a retirement account

for employees to provide resources to supplement retirement benefits and to provide funds for health care costs during retirement.

Subd. 2. Benefit: Employees completing three years of service, beginning with their fourth year of service, shall be eligible for a tax-sheltered annuity equal to two percent (2%) of the employee's base salary (i.e., without overtime, shift differentials or other stipends). The District contribution must be a dollar for dollar match per Minnesota Statute 356.24 Subd 3 (f).

Employees completing nine years of service, beginning with their tenth year of service, shall be eligible for a tax-sheltered annuity equal to four percent (4%) of the employee's base salary (i.e., without overtime, shift differentials, or other stipends). The District contribution must be a dollar for dollar match per Minnesota Statute 356.24 Subd 3 (f).

Employees working 75 percent or more of a full-time schedule shall be eligible to participate.

Subd. 3. Administration of PLAN

a. Benefits Cannot be Accumulated

The District contribution will begin when the employee initiates an eligible investment program at an amount equal to or greater than the benefit schedule set out in Subd. 2, above.

An employee may elect to contribute to the selected program more than the District match. The PLAN only defines the limits of the District's participation in the selected program.

The District match cannot be accumulated on a year-to-year basis if an employee elects to begin participation after the first year of eligibility.

The District match for an employee who elected PLAN benefits shall be limited to the career maximum of \$25,000. In no case will the annual district match exceed the annual amount for which the employee is eligible based upon years of service.

b. Definition - Years of Service

Years of service shall mean the years of accumulated full-time equivalent service for seniority purposes as of July 1 prior to the school year.

Years of service shall be measured as of July 1 each year for the following year.

Employees with a start date of December 31 or earlier will be given credit for a full year of service for purposes of receiving the District match.

c. Plan Year Begins July 1

The annual year for the district contributions shall be July 1 through June 30. Changes in district matching amounts, based on years of service, shall occur on July 1 of each year.

Employees must establish participation in an eligible Deferred Income or TSA plan, as defined by Minnesota Statutes, before the District will begin matching contributions.

d. District Contribution is Automatic

When an employee has an eligible plan in effect, the District matching shall be automatic unless the employee requests otherwise.

e. Payroll Taxes

The District will pay its matching share of FICA and PERA taxes as provided for by the Minnesota Deferred Compensation Legislation.

f. Plan Must Comply with Federal and State Laws

The PLAN is subject to applicable code provisions of the Minnesota Statutes, IRS Code Section 403(b), and IRS Code Section 457.

g. Enrollment Limited to Participating Companies

Tax sheltered annuity purchases will be limited to companies currently having employees enrolled in the program.

For new employees hired for employment for the 2018-2019 school year and thereafter, tax sheltered purchases will be limited to the following nine (9) tax sheltered annuity companies:

American Funds
Ameriprise
AXA Equitable Life
Common Wealth Annuity
ESI Financial
Fidelity
Great West
Vanguard
VOYA

All employees are also eligible to participate in the State of Minnesota 457 Deferred Compensation tax-deferred savings plan or New York Life (457).

ARTICLE XVIII: GRIEVANCE PROCEDURE

Section 1. Grievance Definition

A "grievance" shall mean an allegation by an employee resulting in a dispute or disagreement between the employee and employer as to the interpretation or application of terms and conditions of employment insofar as such matters are contained in this Agreement.

Section 2. Representative

The employee, supervisor, or school board may be represented during any step of the procedure by any person or agent designated by such party to act in his behalf in accordance with State Statute.

Section 3. Definitions and Interpretations

Subd. 1. Extension: Time limits specified in this Agreement may be extended by mutual agreement.

Subd. 2. Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all weekdays not designated as holidays in this contract.

Subd. 3. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. 4. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it bears a certified postmark of the United States Postal Service within the time period.

Section 4. Time Limitation and Waiver

Grievances shall not be valid for consideration unless the grievance is submitted in writing to the school board's designee, setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within ten (10) days after the date the event giving rise to the grievance occurred, or the employee had reasonable knowledge thereof. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the school board's designee.

Section 5. Adjustment of Grievance

The school board and/or designee and the employee shall attempt to adjust all grievances which may arise during the course of employment of any employee within the school district in the following manner:

Subd. 1. Level I: If the grievance is not resolved through informal discussions, between the employee and the Supervisor, the Supervisor shall give a written decision on the grievance to the parties involved within five (5) days after receipt of the written grievance.

Subd. 2. Level II: In the event the grievance is not resolved in Level I the decision rendered may be appealed to the Superintendent of Schools or Director of Business Services, provided such appeal is made in writing within five (5) days after receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or his designee shall set a time to meet regarding the grievance within five (5) days after receipt of the appeal. Within five (5) days after the meeting, the Superintendent or his designee shall issue a decision in writing to the parties involved.

Subd. 3. Level III: In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the school board, provided such appeal is made in writing within five (5) days after receipt of the decision in Level II. If a grievance is properly

appealed to the school board, the school board shall set a time to hear the grievance within twenty (20) days after receipt of the appeal. The date and time will be designated. Within ten (10) days after the meeting, the school board shall issue its decision in writing to the parties involved. At the option of the school board, a committee or representative(s) of the board may be designated by the board to hear the appeal at this level and report its findings and recommendations to the school board. The school board shall then render its decision.

Section 6. Denial of Grievance

Failure by the school board or its representative to issue a decision within the time periods provided herein including observance of dates and times of meetings shall constitute a denial of the grievance and the employee may appeal it to the next level.

Section 7. Arbitration Procedures

In the event that the employee and the school board are unable to resolve any grievance the grievance may be submitted to arbitration as defined herein.

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the Superintendent within ten (10) days following the decision in Level III of the grievance procedure.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: Upon the proper submission of a grievance under the terms of this procedure the parties shall, within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the BMS (Bureau of Mediation Services) to appoint an arbitrator, pursuant to PELRA, providing such request is made within twenty (20) days after request for arbitration. The request shall ask that the appointment be made within thirty (30) days after the receipt of said request. Failure to agree upon an arbitrator or the failure to request an arbitrator from the BMS within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 4. Submission of Grievance Information:

- a. Upon appointment of the arbitrator, the appealing party shall within five (5) days after notice of appointment forward to the arbitrator, with a copy to the school board, the submission of the grievance which shall include the following:
 1. The issues involved
 2. Statement of the facts
 3. Position of the grievant
- b. The school board may make a similar submission of information relating to the grievance either before or at the time of the hearing. If the school board submits information to the arbitrator in advance of the hearing, a copy of such information will be simultaneously submitted to the Union.

Subd. 5. Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be consistent with the original grievance.

Subd. 6. Decision: The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. The cost of the transcript or recording will be borne by the requesting party. Any other expenses which the parties mutually agree are necessary for the conduct of the arbitration shall be shared equally.

Subd. 8. Jurisdiction: The arbitrator shall only have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator and only pursuant to the terms of this procedure, the terms of this contract and the provisions of PELRA of 1971.
