Fridays when classes are in session

We wanted to share an important reminder as we approach the end of the semester. In January, the district's hybrid calendar switches back to class being held on Mondays through Fridays for the entire month of January. The start of the new year coincides with a new semester, and the five-day instructional calendar for January is a good chance for students, staff members, and families to reset to a new routine after the holidays.

CHS linebacker signs with UTEP

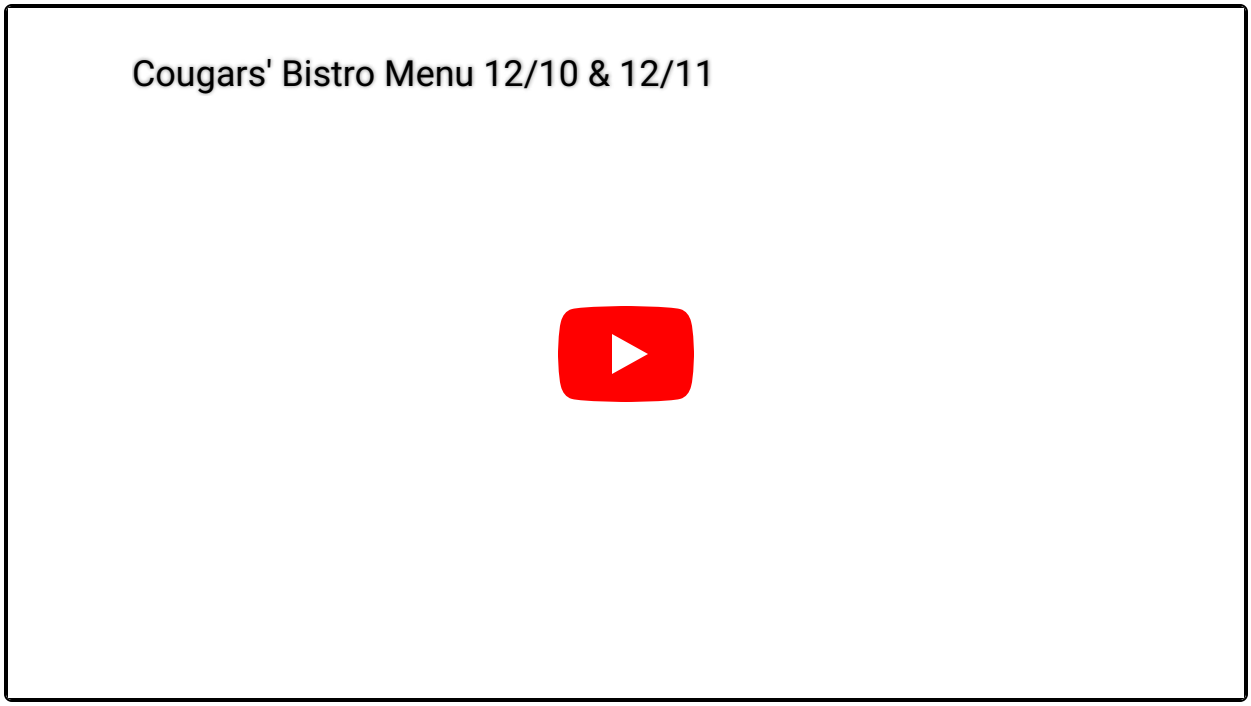

On Wednesday, December 4, 2024, Crosby High School senior Copelin Windfont signed with the University of Texas at El Paso. Windfont will continue his academic and athletic career as a UTEP Miner. Windfont's family, coaches, and teammates attended his National Signing Day ceremony at Crosby High School.

It's estimated only about 3% of high school football players in the nation sign with NCAA Division 1 colleges to play ball at the next level. Three more Crosby High School football players signed yesterday. Running back Wesley Yarbrough will join the University of Arizona. Tackle Nathan O'Flaherty will sign with the U.S. Air Force Academy, and safety Josiah Jones will sign to join Windfont at UTEP. Their celebrations will be held in February.

Crosby ISD reserves the right, in its sole discretion, to refuse and/or restrict an individual's access as a Crosby ISD volunteer based on an individual's criminal history, in accordance with applicable law and Crosby ISD policies, specifically **Crosby ISD policy GKG**.

In compliance with such policy, a volunteer may not perform any volunteer duties until:

P3 Anonymous Alerts

campus

Crosby ISD utilizes the P3 Campus Alerts App for anonymous tip reporting. P3 stands for Protect, Prevent, Participate. The program is student-focused, as opposed to crime-focused, meaning it is a tool for alerting caring adults about students who need help—not snitching. This is part of our continuous effort to increase campus and student safety, and provide students with a safe, completely anonymous outlet to share concerns. You can make a report now in less than 5 minutes.

WHAT IS THE P3 CAMPUS ALERT APP?
The P3 Campus Alerts App is a reporting system to help combat bullying and other safety concerns by empowering students or parents to make anonymous reports. The system allows for one-way or two-way anonymous encrypted communications between submitters (students or parents) and campus/district administration and school staff. Users have the option to remain anonymous or include their identity when submitting a report.

HOW TO ACCESS THE APP
Send reports over web or internet
You can also download the P3 Campus app for your mobile phone
Apple Store
Google Play

HOW TO SEND A REPORT
To send reports over the internet, go to **www.p3campus.com**
To send a report from your phone:

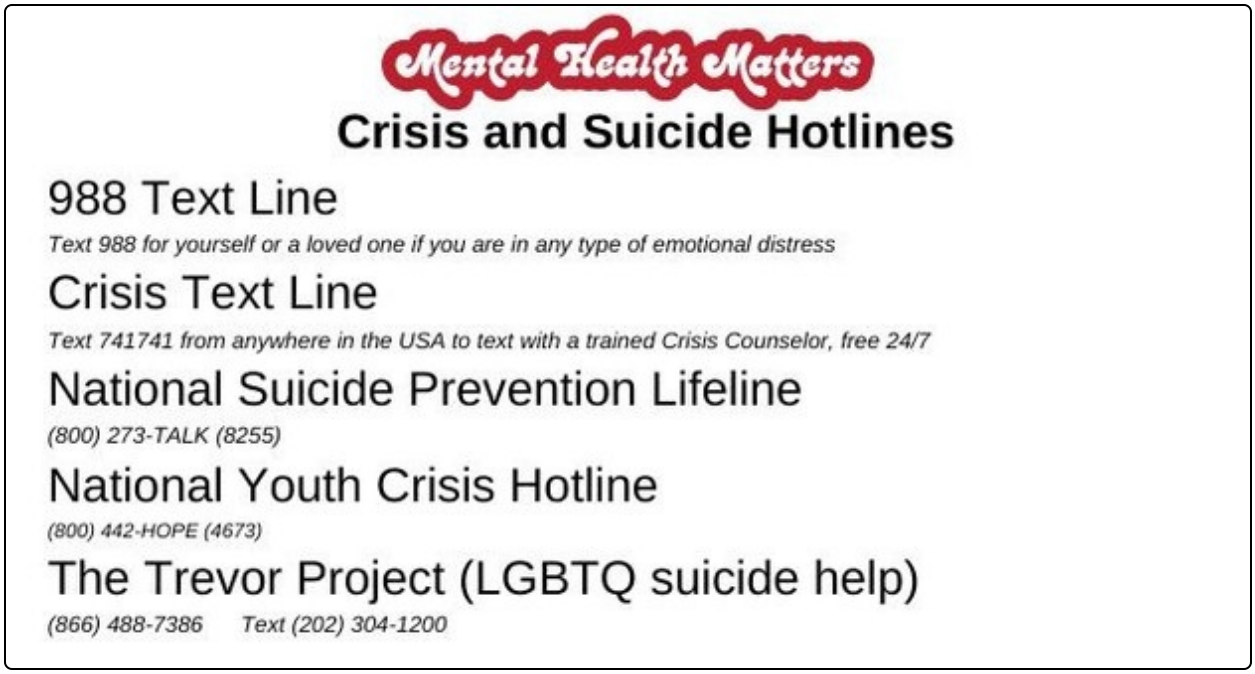

- Download the P3 Campus Alerts app for free from the Apple Store or Google Play.
- Start the app.
- Select Crosby ISD Submit report
- Add screenshot, photo, or video about the incident

HOW ALERTS ARE HANDLED
Reports will be addressed by a trained team of school officials and law enforcement, when necessary. Reports are monitored 24/7 to ensure that time-sensitive matters are dealt with promptly. Reports made through the P3 Campus mobile app, unlike SMS text reports, have no length limitations or the need to remember a short code. Additionally, when reporters use the mobile app, they are noti ed when action has been taken on their report, which demonstrates the value of their time and concern. In both the web browser and app form, reporters can attach photos, screenshots, videos, documents or audio r

Free or reduced meal benefits from the 2023-24 School Year will expire on September 23, 2024. Families should apply now to ensure their student or students continue to receive free or reduced meal prices. If you have not applied this year, please scan the QR Code above or use this link: **www.schoolcafe.com/crosbyisd**. You will be directed to the SchoolCafé application for the 2024-25 School Year. Each household needs to submit only **one** application. Submitting additional applications slows down the application process and can cause benefit denials.
